We will be holding 2 Saturday morning flu clinics on

Saturday 18 September 2021, from 8.00 am – 12.30 pm
Saturday 23 October 2021, from 8.00 am – 12.30 pm

We are aiming to vaccinate 100% of eligible patients this year, as defined by NHS guidelines. We may be able to open our offer beyond those eligible after 31 October 2021 (dependent on stocks/uptake).

Saturday clinics will focus on patients who are able to walk and stand unaided for up to 20 minutes. No seating available. Flu Vaccinations (and possibly 3rd COVID vaccine once details are confirmed) will be administered with patients stood up and a strict one-way system through the Practice will be in operation. We will continue to wear face coverings to protect your healthcare setting.

For patients with mobility issues we will be holding weekday flu clinics. Our PCAs will triage at the time of booking.

Housebound patients will be contacted by the practice in due course.

These are appointment only clinics. Appointments will be available to book from 1 September 2021. Please contact the number below, book online or ask at Reception.

EDITORS NOTE

Its been heart-warming to receive notices from many of the village groups and clubs, that are advertising the return of events in the village. Fingers are so crossed that the Village Produce Association show can go ahead this time, after so much disappointment with bad weather and lockdowns. It's the 60th show this time around, so deserves as much support and entries as possible. The entry forms are in the centre of this edition of the Eagle Eye.

Good to see also the return of Bingo evenings to the Village Hall.

I have been asked by the Bowls Club to put a special ask out for new members—there is only one person from the Village who plays for the Eagle Team now, and the future of the Club is in doubt. If you would like to become involved in the outdoors bowls, please contact Ted Coulson on 704340.

It has occurred to me several times recently, that it is probably time for the editorship of the Eagle Eye to be handed over again—I have been looking after it for nearly seven years, and I am pretty sure that a more up to date and online version could be created by someone with greater skills than I have.

I would like to hand over by the end of the year—so if you might be interested, and you would like to know more of what is involved, please contact me by phone, text or email—details on the back pages.

Wishing everyone a fruitful and happy summer,

Jane

September

To mark our return to a new rota of services in September, Andrew has titled the service 'The Journey of Faith'. Andrew is going to do a run to all our four Churches in the Group, and at each Church he will take a short service which will be followed by refreshments. He will be at Eagle at 10.30a.m.

Andrew is doing the run to raise money for the four Churches and there are sponsorship forms in Eagle Church and the Post Office.

P.C.C. Meeting – Monday, 13th September in Church at 10am.

Harvest Festival – Friday 1st October

We are hoping to hold a Harvest Supper following the Service at 6.30p.m. but it will be subject to Covid guidance, so we will review the situation later in the summer.

For Pastoral Matters and Memorial Stones please contact the Churchwardens, Chris and Sue Stiles 869296.

Letter from Rev. Andrew Vaughan

Hello everyone,

As we all start to prepare for how we live sensibly and safely with Covid-19, above all how to we start to live as social beings, the churches in our group are also looking at the same issues. The guiding principle in this will be care for each other.

We already have a few plans in place that we hope will start to come to fruition from September onwards.

On September 5th we will be launching our return to a more regular pattern of worship across the group of Churches. This will happen with me running between the four churches of the group. There are some spaces for others to run the whole route with me, or between individual churches. The symbol of this is of pilgrimage, and bringing new life to our communities. Also it is sponsored. There will be a short service at each church, and then an opportunity for those not running to socialise over some nibbles and a cuppa.

If you would like to sponsor the run, you can either see members of your local church Council who have sponsor forms, or visit Just Giving.

<https://www.justgiving.com/crowdfunding/swinderbygroup>

Timings of this event are

9.30am Thorpe on the Hill 10.30am Eagle

11.30am North Scarle 12.30pm Swinderby

On a more sombre note as churches we also recognise that the last 18 months have been very difficult for those who have suffered bereavement. To that end we are planning services in early November, to commemorate those who have died. Normally, we hold an annual All Souls service in one of our churches, this year there will be a service in each church around the 2nd November. They will provide an opportunity to come together to remember our loved ones who have died, and

whom we couldn't all be together to commit to their eternal rest. Also, if people wish to organise an individual memorial service for a loved one, so that family and friends can gather, please get in touch and we can arrange something.

You may also start seeing in the local press coverage of a process taking place within the Diocese of Lincoln called Resourcing Sustainable Church. This is looking at what shape and structure the Church should take going into the future, that is both financially and other resource sustainable. The challenge for the Diocese is that it is asset rich, cash poor, and how does it balance the books to pay its way. This may mean the church will be organised in new ways, and ministry by a paid cleric may not be quite the same. We are keen to hear what people want of their local church, so please any comments speak to your local churchwardens.

Finally, the pattern of services from September will be:-

1st Sunday

9.30 North Scarle, Holy Communion
11.00 Thorpe, Morning Prayer
18.30 Swinderby, Evening Prayer

2nd Sunday

9.30 Swinderby, Holy Communion
11.00 Eagle, Morning Prayer
18.30 Thorpe, Evening Prayer

3rd Sunday

9.30 Thorpe, Holy Communion
11.00 North Scarle, Morning Prayer
18.30 Eagle, Evening Prayer

4th Sunday

9.30 Swinderby, Morning Prayer
11.00 Eagle, Holy Communion
18.30 North Scarle, Evening Prayer

5th Sunday

10.30 Group Communion on rotation

(GOVERNMENT GUIDELINES PERMITTING!)

Eagle Village Produce Association

As we ease out of lockdown, we are planning for the 60th Open (Autumn) Show – a diamond anniversary - to go ahead on Saturday 11th September in the village hall. The schedule is in this edition of the Eagle Eye and has all the details.

If you have some lovely blooms in your garden and want to have a go at entering, bring them along, our knowledgeable judges will put them in the right class for you; same for fruit and vegetables, including any disasters!

During lockdown lots of us have been spending more time in our gardens and learning to bake! The empty shelves in the supermarkets were testimony to that; couldn't get flour anywhere! So as a one off we have a 'wildcard' class – what have you learnt to bake during lockdown, bring a sample and enter it in this 'could be anything' category!

Even if you don't want to put anything in come and have a look when we open to the public again after judging, have a cuppa and some cake, buy a raffle ticket and see what's going on, hopefully you might be inspired to enter next time.

None of us are expert gardeners, we are a small friendly committee that is trying to keep this village show going, where many others have now stopped, and so far we have been successful but that's only because of the support on show days from the local community and we thank you for that.

Collingham Patient Participation Group (August)

The Patient Participation Group at Collingham Medical Centre continues with virtual meetings but of course is unable to get out and about into the community with meeting and activities at present. We are continuing with poster campaigns so keep an eye on the local notice boards for information. However here is the Practice Report from CMC to keep you informed.

- **Covid** cases of the Delta Variant are not in Nottinghamshire. Completing your full course of two COVID vaccines is your best protection against all variants and to stop new variants mutating. Continue to be vigilant, a new cough means PCR test and household to isolate until result returns, COVID test appointments can be sought same day & results are much quicker usually 24-48 hrs after test.
- **All adult cohorts** now open – encourage your family members to uptake the vaccine to help stop it mutate in UK. The majority of those hospitalisations and COVID deaths are largely non-vaccinated individuals.
- **Flu Clinics** are scheduled 18 September & 23 October and, if stocks are announced and released for 3rd COVID, we'll do the Covid vaccination at the same time.
- **Carers' Register** – we do actively seek information about Carer status, whether you have a carer or 'are a carer'. We collect information at the time of a patient registering and we have been updating our information during COVID for our patients who have been accessing services and are known to have a carer. This information means that carers and cared for are eligible for flu vaccines. We're not sure we've captured everyone who may care for someone. There is a carer support pack and PPG agreed that we can prepare a poster for sharing on notice boards.
- As **Shielding** is no longer active or a requirement, we are changing the way we support those members of the community who wish to continue to shield –allot the first appointment of the day in each of our

clinical rooms, meaning there is unlikely to be a wait to go in; they are the first patient in a deep cleaned room.

- **Call backs** for routine follow-ups will be given a 2 hr window to receive the call back, i.e. where a patient says they would prefer a call, on Thursday, we would give 2 hr window where the clinician will try to call back during that time. Offering choice to patients on mode of support, call, text or F2F.

- **Electronic Repeat Dispensing** during Medication Reviews we will start to consider for authorising medications for 12 months.

- **Glossary of Terms** – one of the admin team is pulling this together for online users and when writing to patients with extracts of their medical records copied.

- **Walking for non-walkers Group** – sharing poster information on our virtual board

- **New staff** Respiratory Nurse Sarah now in post and practice being supported over coming months by Emma Gowlett, Phlebotomist, and Elena Caraman, Clinical Practitioner, who are experienced hospital and out of hours healthcare team members.

- Whilst we have said goodbye to Dr Jatin Shah in June, our new GPs join us in September – Dr Kate Rees & Dr Edda Scheurch

Book Club reviews.

As bright as Heaven by Susan Meissner

The story is set in Philadelphia during the period of the First World War and the dreadful pandemic - The Spanish flu, which devastated so many lives.

It tells the story of the Bright family who moved to Philadelphia to give their three daughters a chance at a better life. Despite the many heartbreaks and challenges they endure, the family remain strong.

The group felt the book was an easy, pleasant read and gave it a score of 4/5

The Butterfly Box by Santa Montefiore

Federica is moved from Chile to Cornwall after her parents separate. All she has left to remember her father by is a wooden box which he gave to her and which she treasures.

The story tells of her growing up in Cornwall and being embraced by the Appleby family. Only many years later on her return to Chile does she discover the true lessons of the butterfly box.

The group enjoyed the book but felt some of the dilemmas in the plot were resolved too easily and were too obvious. However they scored the book 3/5

Our next read is The strange journey of Alice Pendelbury by Marc Levy

— Helping to raise money and opportunities —

Greetings from Friends of Eagle School, unbelievably it is the end of another academic year at Eagle CP School. It has been another challenging year for so many, as we have encountered lockdowns, isolation meaning so many things have been put on hold, academically and socially. **Congratulations** and **Special Thanks** go out to all the staff at Eagle CP School and Little Eagles preschool, for overcoming these challenges and for helping the children in our community to thrive, we wish you all a restful and enjoyable summer break.

The end of the academic year also brings changes to our committee, we would like to say a big heartfelt **thank you** and sadly farewell to Rebecca (FOES Secretary) and to Clare (Committee member) as they leave us. Both have dedicated much time, effort and hard work into FOES over the last few years, we will miss them dearly on the committee, but we also wish them all the best in their new adventures.

FOES are very pleased to say that even though we been faced with many fundraising challenges since covid, for the academic year of 2020/2021, we have in fact raised an amazing total of just over £1700.00 .

Thank you to all the children, parents, school staff and the community for your generosity, we appreciate your continued support.

Whilst one school year is ending, after the summer another will begin and FOES are very pleased to be welcoming to the committee Kelly and Leanne, who will be joining us from September. Kelly will be taking on the role of Secretary and Leanne is coming on board as a committee member. We are very much looking forward to them being part of FOES.

FOES are also very grateful to Natalie and Eagle village shop for their continued support with our fundraising efforts, Natalie helped to sell our Scarecrow trail maps, Christmas raffle tickets and holds a FOES fundraising donation box in the shop, this raised £44.00 alone!

Thank you to the two ladies in the village, whom we know as 'Betty and Betty' or the 'Two Betty's', who kindly knitted cute easter egg animal accessories, these were sold in the village shop, this raised a very generous amount of £85.00 for the fundraising pot. Your thoughtfulness and kindness are most appreciated.

Other fundraising amounts were achieved through our Mother's Day and Father's Day craft making rooms, for those who do not know, your Father's day rocks came all the way from the beautiful Isle Of Wight, thanks to Clare and the rest of the Bower family for collecting these.

Moving forward, FOES are getting very excited about the academic year ahead and the opportunities it will bring. We are already starting to discuss lots of new and exciting fundraising ideas and events, covid permitting of course (fingers crossed!). We look forward to welcoming and working with our new members Kelly and Leanne.

We would also love to welcome new parents to either join our lovely friendly group of helpers or be a part of our decision making and join our committee. If you're interested please do get in touch with us at foeseagle@gmail.com, via our Facebook page or face to face at school pick up/drop off. All that is left to say is to wish everyone a very happy and safe summer. We look forward to seeing you all again in September.

Reflexology – helping you to relax and rebalance

Reflexology is a non-intrusive complementary therapy based on the theory that different points on the feet and hands correspond with different organs and systems in the body. Reflexologists work on these reflexes to help re-balance the vital energy in the body, which in turn improves the general feeling of wellbeing, and aids deeper relaxation.

Reflexology may also provide relief from a wide range of acute and chronic conditions, complementing allopathic medicinal approaches.

Using gentle massaging techniques on feet and hands, I have had success in helping my clients with a range of conditions including menopausal symptoms, spinal injuries, sleeping difficulties, autoimmune diseases and arthritic pain.

I have a Centralia Reflexology Mastership (incorporating Agored Cymru Units at Level 5) in Clinical Reflexology and belong to the Association of Reflexologists.

If you would like to find out more or come for treatments, contact me, Jane, on 01522 869094 or 07976 638822 or email jane@balancedreflex.com. My treatment rooms are located in Eagle, Lincoln. www.balancedreflex.com @BalancedReflex

NOTICE FROM LINCOLNSHIRE HIGHWAYS DEPT:

REPORTING HIGHWAYS ISSUES

All highways issues should be reported via www.lincolnshire.gov.uk/faultreporting. The online system is the quickest and easiest way to report problems and is available 24/7.

However, you can also raise matters via customer services (by calling 01522 782070 or emailing cschighways@lincolnshire.gov.uk) or by contacting your local county councillor.

While we realise that you may prefer to speak to the local highways officer directly, we need them out dealing with highways issues not in the office on the phone.

For more complex, ongoing issues, you can request an annual meeting with your local member and the highways team.

In addition, my support councillor, Cllr Perraton-Williams, and I are currently committed to visiting each parish and town council with the local highways team.

I can assure you that all issues reported will be dealt with.

Kind regards CLLR RICHARD DAVIES
