During the Pandemic and lockdowns, the Medical Centre remains open for our core NHS services, sadly non-NHS services and non-essential, i.e. Health Checks, Minor Ops and Travel Advice are suspended. We are currently operating a telephone appointment service where we ask a clinician to call you. Please do not attend the surgery unless you are invited by a clinician to do so, as we are staggering appointments throughout the day and different zones of the building to work in a COVID safe way. Please post Repeat slips and mail in our external letter box. Thank you.

COVID vaccines are being administered centrally. Please respond to your invite when you receive it. Once you've had your vaccination continue to follow COVID guidelines, until the government advises that enough of us have been vaccinated to relax the guidelines.

Our communication with patients relies on current information. If your personal details change, including telephone numbers, please let the practice know. Thank you.

Out of Hours Service is provided from 111 when the surgery is closed.

Editor's Note

Some semblance of normality (whatever that was) is creeping back into our lives now, in as much as we have some diary dates starting to appear, and some groups are venturing back into the Village Hall again, with appropriate Covid-safe measures in place.

The weather doesn't seem to have the same inclination though—we have just experienced the driest April and the wettest May (after the hottest February day!). This is going to press just before the late May Bank Holiday, so I can only guess at what will happen on Monday!

Some excitement is afoot around the prospect of the Imps being promoted—"Up The Mighty Imps" is appropriate I think!!

Jean Roberts

It is with great sadness to report the death of our beloved Roddy Cordon on 25th May 2021, at the age of 103.

She will be sadly missed by family and friends.

Notice from Revd Canon Andrew Vaughan

After so much heartache it now appears that we are on a road to living our lives to the full once again. The past 18 months have denied many of us of those simple things that bring light and life into our experience, simply being with family and friends enjoying each other's company, and exploring life.

We have set out our recovery roadmap for the church in the area, where we can meet for worship, fellowship and community living. This is a cautious process to be sensitive to the two sides of people's desire for safety and meeting with others.

You will see elsewhere in the Eagle Eye our service schedule for June and July. From September we are looking to go back to almost weekly services in each of our churches. To celebrate that return to regular Sunday services, and in some way to address the loss of income we have experienced I am planning to do a sponsored run between each church on the first Sunday of September, the 5th. I will be setting up a Just Giving page for donations. Monies for this page will be shared amongst the four parishes, however, PCC members in each of the churches will be seeking sponsorship for their particular church. We will hold a small service in each church, then run on to the next church for another small service. The symbolism is of pilgrimage back to regular worship, drawing attention to the live of our churches, and fund raising. If you would like to join us for all or part of the run please let me know. I think we can have about 10 runners on each section. We already have 2 or 3 volunteers joining us.

Once things are fully firmed up I will make sure the info is published widely.

On a more serious note, we will be looking to hold remembrance services for those who have passed away during the last 18 months, as so many have had to say farewell to loved ones without the support of friends around them. I will be writing to discuss what individuals want during the early summer. This will culminate with services on November 2nd, All Souls Day, where we will light Ishtar candles for the departed.

I look forward to seeing people in the not too distant future.

As ever

Andrew

Collingham Medical Centre newsletter Notes from the PPG

PPG in lockdown The PPG (Patient Participation Group) working with CMC (Collingham Medical Centre) has been ticking over during the lockdown. We have held meetings by Zoom and carried out a couple of poster campaigns but all our other activities have been on hold. However, now the nation is slowly emerging from lockdown, we are hoping to resume some or all of our planned activities. Oh for the carefree days when we were able to hold our tea parties adjacent to the surgery!

Our action plan includes getting out and about to communicate with the villages that make up the practice catchment area, looking at plans for the Walking Group, to reconnect with the Befriending Scheme and to compile a Directory of Community Groups. We shall carry out poster campaigns as the need arises so keep an eye on your local notice board.

There are 2 vacancies on the PPG, we are looking for someone from any age group. The only requirement is to be a patient at CMC. If you could spare some time to join this friendly group please contact the chairperson, Linda Dales, on 07972 300346 or collinghamppg@gmail.com

Practice Update The COVID 19 vaccination programme continues to roll out with 30-39 year olds being invited Please follow the instructions given in the invitation letter.

Invitations for vaccinations for shingles and pneumonia are being sent to those who are eligible

Pre-pandemic services are returning with smear test appointments being booked and breast screening services starting to send out invitations.

The annual medication reviews are being brought back into line to fall in your birthday month. The date of your medication review is printed on your prescription slip. If you have any worries about medication you should call the Medical Centre.

The Pharmacy Team are now back together under one roof and dispensing times are returning to 2 clear days.

Once again can we remind you to download and use the NHS app where you can see your medical history, book appointments and more. The British Medical Association is recommending that patients contact the hospitals regarding test results and hospital appointments.

CMC looks forward to welcoming a specialist respiratory nurse in June and two new GPs in September.

And finally, just food for thought; in April of this year 3 million more people across England contacted their GP than in April last year!

General Information

The Parish Council received the Small Business Grant & Retail, Hospitality & leisure Grant of £10,000. Possible spending options for the money have been received with most of the residents asking for more permanent speed signs on the entrance roads into the village.

Locations of the new speed signs are to be Lincoln Road, Scarle Lane and Thorpe Lane, the location of the fourth sign is still being considered.

Swinderby Station Carpark.

County Councillor Mike Thompson had met with Cllr Chennells to view the carpark & then relay the information back to Lincolnshire Highways. The Flooding caused at the carpark was due to a blocked culvert on the land owned by Network Rail. Network Rail will carry out the repairs but as yet no timeframe has been given.

Railway Crossing.

The crossing at Swinderby Station is being upgraded to have automatic barriers installed, the Signal Box will then be made redundant. A meeting to discuss the future of the signal box had taken place with several options suggested. The preferred option from the Parish Council would be for it to be moved to a Heritage Site as the signal box is 140-year-old Grade II listed building.

Rachel Popplewell

Parish Clerk

Eagle Village Produce Association (VPA)

Hopefully as we gently ease out of lockdown, we will be able to go ahead with the 60th Open Show this year, so fingers crossed for Saturday 11th September 2021.

The committee still has to confirm the final schedule, but there will be a wide range of categories for you to enter an exhibit, including flowers, vegetable, handicrafts, baking and photography, so please look out for that in the next edition of the Eagle Eye.

As always the VPA couldn't continue without your support and so we hope to see some new faces, as well as our regular exhibitors in September.

COFFEE (OR TEA) AND CAKE SOCIAL

Come and join us in the Village Hall for a social afternoon with coffee/tea and cake included.

A chance to get together again at last!

FRIDAY 2 JULY

2.00 - 4.00PM

(GOVERNMENT GUIDELINES PERMITTING!)

Welcome from Mr Thornton

As many of you will be aware Mrs Adams is not at school at the moment and we wish her all the best whilst she is away. In the meantime, I wanted to introduce myself to you. As the Interim Headteacher of Eagle Community Primary School it is my job to make sure the children continue to receive the very best education possible. I have known Mrs Adams for nearly twenty years and we have a very similar outlook on what we believe education should be like for our children. The Eagle Community Primary School Family have certainly made me feel very welcome. The school has enthusiastic and talented children and I already know that we will enjoy learning together. I must extend my thanks to all parents and staff for being so welcoming. I have very much appreciated this.

Children's Learning

The children have thoroughly enjoyed being back at school this term. They have enjoyed being back in the routine of school and have been thrilled to re-connect with their friends after lockdown. The school is working very hard to support the children with their learning, catching up on some of the learning that has been missed. However, we have had great fun in the process!

We have...

- Learned about angles and calculations to become better mathematicians

- Looked under the sea to learn about creatures that live in the deep.
- Written poems about our senses thereby increasing our awareness of how our senses interact with the world around us
- Made a bird hide to spot common British birds.
- Showed aliens around our planet so they know the best places to visit.
- Read new books so that we develop a love of reading.
- Dressed up as Pirates to increase our imagination and creative thinking.
- Made and tested parachutes whilst learning about air resistance.

There really has been so much going on in school and the children are making very good progress!

Governors We are currently looking for a new Community Governor with Health and Safety skills to join our friendly Governing Body and would be delighted to hear from anyone from the local community who is enthusiastic and committed to taking on this rewarding voluntary role. You will join a team of Governors who share a common interest in wanting the best possible education for the children in our school and will use your existing knowledge and experience to hold the school to account and help direct the vision of our school. If you are interested please contact Faye Dick, Clerk to the Governing Body at Eagle CP School at Faye.Dick@eagle.lincs.sch.uk with a brief description of yourself, what skills you would bring to the role and why you would like to join the Governing Body. Applications will be accepted until Thursday 1st July.

Friends of Eagle School May Newsletter

www.pta-events.co.uk/friendsofeagleschool

Welcome to our Summer Term Newsletter! Firstly we would like to thank you for your recent Bag2School donations, we raised a total of £40.30! The Committee met recently, and we are very excited to be able to plan some events this term... **Dare to be Different!**

Don't forget to sign you child(ren) up for our NON-UNIFORM DAY this Friday, the 28th May. Some of the usual school rules will be relaxed for one day to raise money for FOES as crazy hairstyles, hair colour and glitter, as well as temporary tattoos will be allowed. Children can bring an 'unhealthy' snack to school and have juice instead of water. The more your child chooses to do, the more money raised for FOES! See our social media for further details.

The Father's Day Making Room will take place on Friday 18th June during school time in the afternoon. As usual please register on the website for your child(ren) to take part in creating a gift for Dad, Grandad, or someone else special to them for Father's Day.

Father's Day Making Room

CLASS OF 2021 Leavers Celebrations

Whilst we are still unable to arrange all the end-of-year celebrations and activities that we usually would for our Yr 6 children, we wanted to let parents know that FOES still consider this celebration an important part of our calendar, and we have some lovely arrangements in the making for those children making the transition to secondary school this year...

If at all possible, we would like to mark the end of the academic year for all Classes, however with the current restrictions and easing of guidelines still uncertain into June/July, we are not able to make any firm decisions at the moment...keeping our fingers crossed!

School Hoodies and Uniform Sales

The Committee have made the decision to purchase another bulk order of class hoodies for parents to purchase directly from our website which should be available before September. Reception intake will be gifted their hoodie instead of a book bag and PE bag (we will contact these parents to discuss sizes) the larger sizes for Classes 2-4 will have a limited number available, so please only purchase one per child. This is all possible due to your continued support over the last year, so thank you for making this happen!

We would also politely like to remind parents that we can only accept items of uniform WITH the school logo for re-sale. Any other items received will be returned to you, and you can hold on to them until our next Bag2School collection. Unfortunately we do not have storage space for generic items of schoolwear. As always, thank you and we hope your children have a great summer term!

Eagle Toddler Group!

We are a small, friendly group who meet in the village hall every Thursday (term time only) at 9.30am. After being closed for over a year due to Covid, we are so happy to be open and welcoming people again! Restrictions have finally relaxed again so we are now able to offer a cuppa to the adults and juice and a biscuit to our little ones.

It's so nice to be back and for our little ones to experience some normality so please do come along, even if you haven't been before! We offer a craft activity every week (ably assisted by 'nanny Sue') as well as lots of toys, games, books and fun! We have a Facebook page 'eagle toddler group' if you'd like to see any more information about us, and you can email us through us the page as well.

Reflexology – helping you to relax and rebalance

Reflexology is a non-intrusive complementary therapy based on the theory that different points on the feet and hands correspond with different organs and systems in the body. Reflexologists work on these reflexes to help re-balance the vital energy in the body, which in turn improves the general feeling of wellbeing, and aids deeper relaxation.

Reflexology may also provide relief from a wide range of acute and chronic conditions, complimenting allopathic medicinal approaches.

Using gentle massaging techniques on feet and hands, I have had success in helping my clients with a range of conditions including menopausal symptoms, spinal injuries, sleeping difficulties, autoimmune diseases and arthritic pain.

I have a Centralia Reflexology Mastership (incorporating Agored Cymru Units at Level 5) in Clinical Reflexology and belong to the Association of Reflexologists.

If you would like to find out more or come for treatments, contact me, Jane, on 01522 869094 or 07976 638822 or email jane@balancedreflex.com. My treatment rooms are located in Eagle, Lincoln. www.balancedreflex.com @BalancedReflex

Bus service updates- Eased lockdown restrictions

As you are aware, many national lockdown restrictions have eased as of Monday 17th May. As a result, over the next few weeks bus companies will be monitoring passenger numbers and timetables carefully throughout Lincolnshire in order to update/ change their timetables with the demand of services.

Our team won't be updating physical roadside information at stops on the boards until September when services may have settled and we have a better understanding of passenger numbers and how services are affected (the majority of bus stops have a QR code which links to the real-time bus information for that stop). Currently bus operators can change bus service times with just 72 hours' notice and many are trying to understand service level needs.

Our advice is to keep checking <https://lincsbus.info/> for all updates on services, but also local operators websites as many will keep their service information up to date.

Please see link below for a list of recent service updates in May throughout Lincolnshire, some may not apply to you.

<https://lincsbus.info/bus-services/lincs-bus-updates/>

We hope you are enjoying getting out and about again and spending quality time with Family and friends. We will keep you updated as much as possible through these sites of bus service changes.

Many thanks,
