Editors Note

This first edition of 2023, has been enabled by the generous sponsorship from a local business. Without that assistance, the Eagle Eye would have to exist online, which means it would not be accessible to all parishioners.

All previously regular contributors have been approached and have sent in copious content, for which I thank them deeply, and thanks also to the advertisers, old and new, whose fees will assure the next few editions.

To give better financial stability, more corporate sponsorship would help greatly please—advertising space can be made available for whatever exposure is required—front cover, back cover, every page! Please contact me through editor@eagleeye.uk.com if your company is willing to sponsor an edition.

Some time ago, a poll was taken about a willingness to pay for receiving the Eagle Eye. This is not going to be instigated—BUT, if you would like to make any donation, regularly, sporadically, or as a one off, the bank details are as follows, or an envelope can be handed in to the Village Shop. Cheques made payable to Eagle Eye.

A/C: 55723281 Sort Code: 09-01-54 The Eagle Eye

Every little helps, as they say! Thank you, in anticipation.

The illustration on the front cover was drawn by a very talented friend—I asked if she could represent “Community” with an eagle embracing diversity. I think she did a fabulous job, and it will continue to be used as a theme going forwards.

Community means different things to different people - but in a village, its not just a facebook page or a hashtag or a website, its being with people and spending time with them. We have some precious assets in the village where we should be making Community happen: The Village Hall, The Playing Field, The Church, and The Struggler. Let's not lose them, let's use them.

Just a little update on Matthew and James and our fundraising journey.....

Firstly, thank you so very much to each and every one of you that has supported us through the last few years and continue to support us to the present day. For this we are eternally grateful. Matthew and James are both doing tremendously well with their specialised physio as we continue to visit the SDR progression centre in Wales and this honestly wouldn't be possible without your help!

Matthew's progress is visibly slower due to both hip surgery and his SDR operation in 2022, but he is working very hard and is determined as ever!

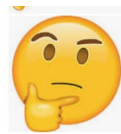

Unfortunately he needs further surgery to remove the metal work from his right leg but hopefully he'll be back up and raring to go in no time at all.

Please keep your eyes peeled for further fundraising events including our next village yard sale, which will hopefully take place on Sunday 23rd April.

Thank you, and kind regards

The Smith family.

EAGLE VILLAGE HALL

AGM

The Annual General Meeting and election of the Village Hall Management Committee for 2023 will be held on

**7.45pm Wednesday 15 Feb.
2023**

This is your Village Hall, and all residents of Eagle are welcome to attend

YOUR VILLAGE HALL

Do you use Eagle Village Hall? What happens at the hall?

We are lucky to have a wonderful facility in the middle of the village, thanks to the generous donation In March 1953 by Mrs Dora Kirk, who gave the former exercise and drill hall to the people of Eagle Village in trust “for the purposes of physical and mental training and recreation, social, moral and intellectual development, or otherwise as may benefit the inhabitants of the Parish” Although a lot has changed 1953 many of those original intentions for its use are still applicable today.

The Village Hall is entirely self-funding (apart from the occasional but wonderful donation or legacy, and more recently, Covid grants). It receives no money from local government, either at the District or Parish level.

The hall is run by a Management Committee, made up entirely of volunteers from the village. The committee is not involved so much in organising events but maintains the facility as a viable and comfortable place available for everyone in the village to use.

Over the years successive Management Committees (a new committee is elected each year) have, in addition to the day to day running of the Hall, made various significant improvements to its facilities. In 1979 a major extension provided the front kitchen area and the ladies and gents toilets. In the late eighties, a further addition provided the back kitchen and storeroom. 2010 saw a refurbishment of the whole kitchen area, and in 2013 the front of the Hall was re-rendered. In 2018 new front windows, a fire alarm and disabled access were added.

The Village Hall can only exist if it is run by volunteers. Currently there is a significant shortage of Committee Members, and if the village wishes to keep its Village Hall running smoothly, it needs your help! Only a small amount of your time can go a long way!

The annual AGM will be held in the Village Hall on **Wednesday 15 February at 7.45pm**. All villagers are welcome to attend the meeting, and at the same time anyone who would like to volunteer some of their time to help run the hall can join the committee for this year.

YOUR VILLAGE HALL NEEDS YOU!

LETTER FROM REV. ANDREW VAUGHAN

Hello

It only seems like yesterday we were celebrating Christmas and New Year, and already thoughts are turning to Lent, Holy Week and Easter. I would guess some shops had Easter Eggs on sale straight after New Year?

Lent begins on Ash Wednesday, 22nd February, and we will mark that with our traditional Ash Wednesday service at 7pm at North Scarle. This is a very simple communion service where everyone has their foreheads marked with the sign of the cross in the Ash from burnt Palm Crosses. This reminds us that even in our frailty we are loved and cherished.

During Lent we have traditionally had some form of study course, where we seek to look afresh at what faith means. However, this year we are looking to do something slightly different. We will be studying the poet Thomas Traherne. His poetry has been used as a source of contemplation and reflection for many years. With so much noise going on around us, I felt we could use our time to encounter a different approach to prayer, and above all have some silence. This will give us the space to try and listen to God's call for us in our context, how do we respond faithfully, joyfully and confidently in a world on uncertainty.

The sessions will be 2pm Wednesday, starting on 1st March, starting at Thorpe Church, for about an hour, finishing with a cup of tea or coffee.

Just as these sessions are starting, I will look at our plans for Holy Week and Easter in the next Eagle Eye.

As ever

Andrew

News from Eagle School

Our school year is well under way and we have had a very busy Autumn term. Let's take you through our calendar so far, month by month ...

SEPTEMBER Of course, a review of our school days cannot fail to mention the sad news in September that we started the school year learning. Whilst in our last Eagle Eye entry in the summer we shared our Platinum Jubilee Celebrations, when we returned we were extremely saddened to learn of the passing of Her Majesty Queen Elizabeth II. We continued to celebrate her life at such a sad and confusing time and the children reflected:

“she was a very fabulous Queen actually!”

“the Queen has lots of beautiful and different coloured dresses”

“such a lot of people cared and went to the Palace”

“we have remembered the celebrations from the Jubilee”

As a school we reflected on a life well lived and played our part in this moment of history by creating a display of remembrance for school and the community by adding ribbons or flowers to our school fence. Ambassadors from school visited the Book of Condolence in Eagle Church to add a message on behalf of the school.

OCTOBER **Lincolnshire Day** At the beginning of October we celebrated Lincolnshire Day. As the children returned after the weekend, we had a special treat in store as everyone was served a Lincolnshire Sausage

breakfast bap during morning registration – what a way to start the day! There were very few crumbs left, so we can only assume the children thoroughly enjoyed them. Thanks go to the Lincolnshire COOP for helping us with a donation to us cater for the event.

Harvest Time During the month of October we acknowledged harvest time. Our first involvement was thanks to the invitation from Canon Andrew to be part of the Village Church Service in which the School Choir performed. In the spirit of harvest, we once again collected donations for the Lincoln Larder as they had distributed over 5500 food parcels last year and found the donations from schools had provided a great deal of that food. Even in

challenging times when we are all tightening our belt, the kindness afforded to those less fortunate and in need was heart-warming. This term ended by learning about World Food Day and reflecting on harvest time in our family service in Eagle Church.

NOVEMBER Remembrance

Moving on to the month of November ... we gathered together at the school flag pole to respectfully mark the 11th hour, of the 11th day, of the 11th month. Our service was simple and a fitting way to follow up on a story of Jack and George, two young soldiers who met Wilfred Owen in the trenches, passing the time writing 'dulce et decorum est'.

Residential Class 4 went on their annual residential trip in the middle of the month and this year went to Robinwood in Todmorden. This was an action packed three days of non-stop activity which pushed us out of our comfort zone to develop many skills such as resilience, cooperation, confidence, patience, stamina and responsibility ... while having great fun as well. It was a wet one, but a super time and beautiful place to stay.

DECEMBER All things Christmas

December was a fabulous month, filled with super experiences for us all to enjoy. We held 'Eagle's Got Talent' and enjoyed children performing a song, dance, routine, magic show, recital and much more! There was so much enjoyment and encouragement shared during this experience and so many skills developed for the performers and the audience too. We also held a Christmas Mini-Market, Little Eagles Stay & Play, the Infant Nativity and a whole school trip to the Panto thanks to Friends of Eagle School.

Eagle & Swinethorpe Parish Council

We were pleased as punch to be asked to help the Parish Council design their new logo. In the end, the whole school got involved – even the 'grown-up children' popped their entries in the pile! We welcomed Mr Campbell, the Chair of the Parish Council at the beginning of the term to explain the brief, then once again at the end to announce and reward the winner. Congratulations went to Millie.

A NEW YEAR ... What next?

As a new year and new school term began, January saw the start of our outside redevelopments - yippee! Playscape arrived to begin Phase 1 and 2 of our plans and despite driving rain, followed by plunging temperatures, so much progress was made very quickly in re-designing the Little Eagle's outside learning space with a shelter, gardening space and grassy area. Next, new storage areas will be built and after that for those who cycle or scoot to school, a new bike rack will be installed. A little later in the year, we

will continue work on our outside working on the space between Class 1 and Class 2. Exciting times, we can't wait to share with you the finished product.

Join our School Is it nearly time for your little one to start school or pre-school?

If your child will be starting their school Reception year (aged 4, turning 5) in September 2023, applications need to be in to the Local Authority by 15th January. If you would like to visit school, please simply call and arrange a time that is convenient to you. You can apply online at <https://www.lincolnshire.gov.uk/school-admissions/apply-school-place/2>

If you have a child aged two or above, they can join Little Eagles Pre-School which is housed within the school setting offering both 15hrs and 30hrs funded provision, as well as non-funded provision and additional hours. If you require any details, wish to secure a place or be added to our waiting list, please do not hesitate to get in touch.

Finally, if you are moving to the area or nearby and looking for a new school, why not consider joining Eagle CP School where Ofsted recognised that we place “pupils at the heart of all the work we do”. This is a very important recognition as we value our “family ethos” and the positive relationships we create. We believe that is important to see our school running as it does on any day, so for us ‘every day is in open day’. Simply give us a call (01522 868354) and arrange a visit or message us at enquiries@eagle.lincs.sch.uk.

Governors We are still looking for a Community Governor to join our friendly Governing Body. We would be delighted to hear from anyone in the local community who would be interested in taking on this rewarding role. You would join a team of experienced Governors who share a common interest in wanting the best possible education for the children in our village school community. If you would like to find out more, please contact our Clerk to the Governing Body (faye.dick@eagle.lincs.sch.uk) – we look forward to hearing from you

Eagle School on Facebook Earlier in the year we launched our school Facebook page – Eagle Community Primary School – why not have a look for us and ‘like’ our page. We hope to use this popular social media site to share school events and our goings-on as another way of being connected with our community.

Gosh, what of lot of catching up, but for now ...

Little Eagles Pre-School

We are a small setting, working with each child's individual needs at the heart of our provision – we respond to children's interests and benefit from our well-resourced surroundings.

Children aged 2yrs and above

Offering 15hr and 30hr funded places

Bomber Memorial—The Last Chapter

It will soon be a year since the dedication of the Memorial took place.

Despite it being a very cold, wet, windy day our church was packed with villagers of all ages and VIP guests from across Lincolnshire.

The BBC Look North team followed the events of the day as they took place, capturing the church service and the dedication around the memorial and interviewing several people as they went into church. This was later shown on Look North at 6pm. Because of the Memorial, Eagle is well and truly on the RAF radar as later in the year I was invited to RAF Waddington for a dinner at the Station Commander's house with other members of the community, and in September to the official closure ceremony at RAF Scampton. Both these stations donated to the memorial.

At the International Bomber Command Centre in Lincoln all Bomber Command aircraft crashes are held on the database. I was able to send them photographs and extra information about our crew which have been added to their data. Anyone looking to trace one of the crew would be able to see that there is a memorial to the four men in Eagle village.

I was wondering who had placed the Christmas wreath on the memorial and was told it was Annmarie Nicholson who also every year places a wreath on the Commonwealth War Grave at the side of the church. Thank you Annmarie that is such a lovely gesture.

So many people in the village have commented that the memorial looks like it has always been there, fitting in perfectly and belonging.

I remember during the church service the Bishop of Grantham saying that in 'naming them' you 'remember them' and that's what we as a village have done by naming them we have ensured that they will never be forgotten.

Research opportunity for people with dementia

We are looking for people to take part in a new study called **PRESIDE** about the benefits of community group singing for those who have been diagnosed with dementia. The group is for the person with dementia and their carer/companion and we are looking for 27 pairs of people to take part. The singing groups will take place in Central Lincoln, Thursdays 12.30-2pm from March 2023 for 10 weeks or more and will be relaxed, fun and informal. You don't need to have any previous experience of singing to take part and must not have participated in a singing group within 6 weeks of starting the research. You will also both be asked to complete some questionnaires on your mood/activities with an NHS researcher at a home visit. For further information about the study please contact

Reflexology – helping you to relax and rebalance

Reflexology is a non-intrusive complementary therapy based on the theory that different points on the feet and hands correspond with different organs and systems in the body. Reflexologists work on these reflexes to help re-balance the vital energy in the body, which in turn improves the general feeling of wellbeing, and aids deeper relaxation.

Reflexology may also provide relief from a wide range of acute and chronic conditions, complimenting allopathic medicinal approaches.

Using gentle massaging techniques on feet and hands, I have had success in helping my clients with a range of conditions including menopausal symptoms, spinal injuries, sleeping difficulties, autoimmune diseases and arthritic pain.

I have a Centralia Reflexology Mastership (incorporating Agored Cymru Units at Level 5) in Clinical Reflexology and belong to the Association of Reflexologists.

If you would like to find out more or come for treatments, contact me, Jane, on 01522 869094 or 07976 638822 or email jane@balancedreflex.com. My treatment rooms are located in Eagle, Lincoln. www.balancedreflex.com @BalancedReflex

Eagle & Swinethorpe Parish Council.

What is a Parish Council?

The Parish Council is a local authority that makes decisions on behalf of the residents of the village. It is the level of government closest to the community, with North Kesteven District Council and Lincolnshire County Council above it in the hierarchy. As the Parish Council is closest to the people, it is the first place people will go with concerns or ideas for the community. For this reason, we are a vital part of the community, and we want to encourage you to engage with us.

Eagle and Swinethorpe Parish Council has 9 elected representatives who serve as Parish Councillors. We currently have one vacancy. Once elected, Parish Councillors sit on the council for a maximum of four years (our last election was in May 2019), if Councillors wish to stay in post they can stand for re-election on May 4th 2023.

The number of Councillors on each council is determined by the size of the electorate. As well as deciding who is elected to serve on the parish council, residents also can choose who stands. The eligibility criteria for a parish councillor are set out below. As well as being eligible, a candidate must be proposed and seconded by electors of the parish they wish to represent as part of the nomination process.

Eligibility to stand as a Parish Councillor

- You need to be over 18 years of age.
- A British citizen, a qualifying Commonwealth citizen, or a citizen of any other EU state.
- On the Electoral Register for the council area for which you wish to stand.
- A local government elector of the parish.
- A person who during the whole of the twelve months before nomination as a candidate occupied land or other premises as owner or tenant in the parish; or has, during the same period, resided in that area or within three miles thereof; or has during the same period, had a principal or only place of work in that area.

Why become a Parish Councillor?

There are many different reasons why people decide to become a local councillor including.

- wishing to make a difference and be involved in shaping the future of the local community.
- being concerned about the local area and wanting to ensure that the community gets the right services.
- represent the views of local people and ensure that community interests are considered.
- pursue political beliefs.
- contribute individual business or professional skills.
- concerns about one issue.

Are you ready to help change the face of local government?

It will give you the opportunity to make a difference to the quality of life for people in your local area. The diversity of local councils is their strength. The role of Eagle and Swinethorpe Parish Council is to represent the interests of the whole community; understanding the needs of different groups in the community (such as young and elderly people) is an important part of a Councillors role. As a councillor, you have a responsibility to be well-informed, especially about local views. You cannot assume that you represent the interests of all your electors without consulting them. Whilst you don't need any special qualifications to be a councillor, having or being able to develop the following skills, may help you in the role:

- Communication skills.
- Problem solving and analytical skills.
- Team working.
- Organisational skills.
- Ability to engage with your local community.

Email – parish.clerk@eagle-swinethorpe-pc.gov.uk for further information, or to express an interest.

Notes from Eagle & Swinethorpe Parish Council meeting held on Wednesday 25th January 2023 at 7.45pm in Eagle Village Hall.

District Councillor Overton reported that insulation grants are available from NKDC for qualifying properties.

Mr Damon Blackband, the Sustrans Regional Network Development Manager for Lincolnshire, gave a presentation about his role in and around Lincolnshire. His job is to make cycle routes more accessible and safer for the public to use. The route from Eagle – Harby on the last inspection had been graded as dangerous, due to traffic and road conditions. He would like to carry out a feasibility study to identify ways in which the route can be made safer and then implement the recommendations. The project would take approx. 12/18 months to implement, with funds & management coming from central government.

All Parish and District Councillors are up for election on May 4th, 2023, briefings and nomination papers are available from North Kesteven District Council.

The new Parish Council logo is going to be made into an accessible format that can be used on the website and on letterheads.

The Parish Council agreed to fund the moving of the Bomber memorial storyboard nearer to the roadside, on the Village Hall wall, as it is not currently visible behind the tree.

A new grit bin has been installed on the bend down Thorpe Lane where ice makes the road dangerous.

The Eagle Eye was discussed, as some of the readers have expressed disappointment at the proposal of it going online, rather than a paper edition. Corporate sponsorship and admin help has been received from a local business which now enables the next edition to be printed. The Parish Council agreed to pay the annual donation in full, and recognised that the Eagle Eye is a Parish asset.

A commemorative Platinum Jubilee tree will be planted on the Playing Field, with a guard to protect it from animals, people and bicycles.

No volunteers have come forward to organise anything for the Kings Coronation in May. The Village Hall may be open for tea and coffee during the Coronation Ceremony.
