THE EAGLE EYE

The logo for 'THE EAGLE EYE' features the words 'THE EAGLE EYE' in a serif font. The letter 'O' in 'EAGLE' is replaced by a stylized eagle's eye, which is part of a larger graphic of an eagle's head in profile, facing right. The eagle's beak is pointed downwards.

The next issue of the Eagle Eye might appear in Feb 2024

Editor's Note

Life can take twists and turns that we have no control over, but we can only make the best of it! The upside of not being able to move house was that I could edit another issue of the Eagle Eye :-)

The front cover Christmas Tree has been borrowed from the front cover of the Christmas 2020 issue—which had the additional embellishment of the Covid bacteria as decorations—three years ago feels like a bad dream, but its still doing the rounds.

There are several Christmas notices in this issue, telling of festive celebrations, changed bin collection rotas, and Christmas Tree recycling facilities.

Wishing everyone a Seasons Greetings, and a healthy, happy, peaceful 2024

LETTER FROM CANON REV. ANDREW VAUGHAN

Hello

As I sit to write these notes it is just before Remembrance Day, but I am focusing on December and Christmas, where has 2023 gone!

Once all the commercial side of Christmas eases it has always been one of my favourite times of the year. Spending time with the family, plenty of football and wonderful church services. Services ranging from our various Carols and Mince Pie services, through to the joy of Midnight Mass.

Christmas, however, is important because it reminds us that in the person of Jesus, God affirmed our humanity. It was a clear message that our physical nature wasn't worthless, but precious, and by that the whole of the created order reveals something of God. Over the last few months our Church Councils have been reflecting on the changing nature of how we experience humanity, and that as village churches we have to be welcoming to EVERYONE, not just those who mirror our life experiences, but every sort of life experience. Our aim is to welcome, learn and evolve as we meet new friends who experience their humanity in other ways to existing congregations. We have tried to express that in the following words, which we hope others will help us grow through.

All ARE Welcome

Our Responsibility as village churches is to be welcoming and as safe as possible for all people.

In responding to that call to hospitality we recognise that some peoples' experience of life is different and varied to our current congregations. In being welcoming and as safe as can be, we want all to flourish for who they are. In doing that we will make mistakes, but want to listen and learn in open, non judgemental ways.

We do not have all the certain answers, we have a faith that calls us to love, recognising we are all on a journey, not confined by hard barriers.

No one is an outsider, we are all on that journey, we will welcome you to exercise your gifts for who you are, not whether you re-enforce any existing group characteristics.

Please help us live and develop that welcome.

As ever

Andrew

FRIENDS OF EAGLE SCHOOL

AND IN A BLINK OF AN EYE AUTUMN TERM 2023

IS NEARLY COMPLETE. AS THE SCHOOL GATES OPENED IN SEPTEMBER TO FAMILIAR AND NEW FACES, WE HERE AT FOES HAVE BEEN BEHIND THE SCENES PLANNING OUR NEW YEAR OF EXCITING FUNDRAISERS AND EVENTS.

Over this last term, it has a running theme of textiles. In no way was this planned but it has been a positive gain for all those involved. We have had our Pop Up Uniform Shop open selling 2nd hand uniform, a Bag2School Collection which creates funds, spare outdoor attire has been kindly donated and given to Little Eagles for those rainy days and sunny rays! We also started a new Toys4Life collection where old toys get donated and in turn raises funds for us. The toys get given to 3rd world countries and deprived areas preventing them going to landfill. October has been a "spooktacular" month for FOES and the children of Eagle School. We had a wonderful Pumpkin Sale with a local grower selling pumpkins at our school finished off with our Spooks and Sparkles Disco to finish half term

As we head into the festive season we have our wonderful Christmas Market featuring games, Enterprise Week and all things Christmas. We will join the children at their Nativity providing refreshments at their performances. Fundraising all goes back to the children to enrich and enhance their school years at Eagle School. We have already been able to buy the school an audio recording set with two microphones. As life turns more technical and all things on the internet it is a great piece of equipment for all the children to use to build up skills. The children will head off to the panto again (oh yes they are!) this year due to all our fundraising efforts. As we go into the New Year we hope to raise enough funds to purchase playground resources such as interactive maps for the children and purchase new basket ball hoops too! As we continue to fundraise we are able to do more! Thank you to everyone who have helped us so far!

AND FINALLY

We end this newsletter with saying our thanks and goodbye to Mrs Adams. Team Eagle is as strong as ever and that is down to the hard work, dedication and support of every child that has walked the halls of Eagle School, past and present.

Mrs Adams not only has been a great Head Teacher for all the children but a fantastic and crucial member of Friends of Eagle School. Providing us with support, encouragement and being a massive part of our committee. We here at FOES, Thank You for all you have done over the many years. From endless meetings, to being a stall holder at our Fayres or being a server at FOES Delights and so many other roles you have played. We thank you from the bottom of our hearts, we shall miss you.

FROM EVERYONE AT FOES....

► MERRY CHRISTMAS &

Happy New Year

SO FAR THIS YEAR WE HAVE RAISED..... £257.26 THANK YOU!

Hello Again from Eagle School .

We are rapidly racing through the Autumn term and as always, we are keeping ourselves very busy. But before you read on to find out some of our exciting activities, after 25 years in education and with this, my fifteenth year at Eagle School, I have made the decision to hang up my teacher's whistle and say farewell. I will of course miss Team Eagle tremendously; the children, the families past and present, the staff and governors and the community too, but as the Christmas term is such a magical and fun one, it is certainly an enjoyable one in which to say 'farewell'.

Rain, rain go away ... it's harvest time

Didn't we have a lot of rain! I'm sure you saw the field which looked more like a swimming pool at the end of October. Thankfully, apart from soggy grounds, we did not experience any damage but it did scupper our plans to hold our Harvest Service in the Church as we simply couldn't get across the playground without getting soaking wet. Not to be defeated, we recorded our service and shared it through our internal system. The whole school had a lovely afternoon together were incredibly grateful for the kind donations for our Harvest collection. The food items were taken to the Hykeham Foodbank to support our locality and I was lucky enough to get a tour of the provision and find out about the positive impact the service has for families in our area.

Year 5/6 Residential

As we returned after the half term, Year Five & Six prepared for their annual residential adventure. We enjoyed a few days away at Kingswood, Dearne Valley trying all sorts of activities from laser tag to zip lines and archery to the vertical playpen. The weather was kind enough to not stop us from doing all the activities and so got stuck in to test our comfort zones and develop many skills such as resilience, cooperation, confidence, patience, stamina and responsibility.

Forest Schools

After our whole school trip last year to Hill Holt Wood, this year we have arranged for Take2Adventure to lead two blocks of Forest Schools learning this term and then later in the year for the whole school. We are always thinking about other things that we can do and ways that we can teach to make our days different, engaging and exciting. So far the sun has shone and we have even had the red arrows flew by during our sessions. Each year group has had sessions on learning about and lighting fires, communication and creativity; problem solving and perseverance making storm shelters with tarps; and bug hunts in our Quiet Garden.

Active WOW Day

As well as enriching the curriculum with Forest School activities, working with Premier Education we have booked a series of 'WOW Days' to bring an extra boost to PE and fitness and encourage activity and healthy ways. Day One of exercises is complete and all the children have completed their WOW Active challenge. Coach Dan left certificates for Brady, Drake, Isla A-C, Beatrix, Alex S Tristan & Hollie for the highest scores in their fitness and activity trials.

Eagle School Football Team

Keeping with the sporting theme, our new football club has been running for a little while now and we have been grateful to Swinderby School for the opportunity to have both home and away matches during this term. This group have only been training for several weeks and showed tremendous resilience and determination to keep going and work as a team. Our second match showed a huge amount of development and resulted in an 'almost draw' which is a great result and highlights a consistency in attack and defence. Well done to the players, Coach 'Mr Hartnell' and thanks to the parents for being willing supporters.

Fellowship Lunch

Class 1 and Class 2 popped over to the Village Hall to entertain the ladies and gentlemen at the Fellowship Lunch on 24th November 23 to share a selection of songs from the project and music learning. The theme was autumnal and gave us a chance to share some of our Harvest performance to an audience too.

Starting School in September 2024?

Report for NOV 2023

Recent Flooding: I attended a Lincolnshire Resilience Forum recently which highlighted the need for local village based plans to respond to critical civil situations. The recent problems in several villages brought together some issues regarding Emergency Planning and locally held Plans. It is reassuring that Eagles' Plan is reviewed annually.

Up to £500 can be claimed through the local authority in the Property Flood Resilience Repair Grant Scheme

New PC Logo – I would like to complement those who have worked on the new design. I know it has been a challenging task to produce a really fresh approach to this distinctly 'local' issue.

Speeding. Concerns still exist in the area with regard to instances of speeding and we still remain supportive of the need for this problem to be addressed.
