Editor's Note

Since Eagle, Swinethorpe and neighbouring villages have been so badly affected by too much water in the past few months, attention has turned to what might be done to prevent, or at least minimise water being where it shouldn't.

One of the noticeable issues has been the non-maintenance of ditches and culverts, which have caused blockages and over-topping. Read inside about what the Internal Drainage Board has to say, to improve our understanding of responsibilities.

The Village Hall Committee needs more volunteers to replace retiring members. The AGM will be on February 21st—new helpers will be very welcome.

Thank goodness the snowdrops are now bobbing their heads and showing the way to Spring—won't be long now!

Happy Reading..... :-)

LETTER FROM CANON REV. ANDREW VAUGHAN

Hello

I don't know whether it is age, or just the rhythm of life, but we have only just finished clearing up from Christmas, and already with this article looking towards the 6 weeks of Lent, starting with Ash Wednesday on February 14th. I suppose many will be planning romantic gifts for their partners, and it is right to do so. Our love we give, and receive from our partners is so precious. Our loved ones can often empower us with their touch, presence or a simple word.

With this in mind I suppose it is appropriate to celebrate Ash Wednesday on the same evening, as it is a celebration of another aspect of love. It starts our focus on the destructive behaviours that led to Jesus' crucifixion, our failure to love. Whereas, his non-violent loving approach led him to confront those behaviours, with the resultant crucifixion.

During Lent we will renew our understanding of how we live out that loving faith, both in our services but also our weekly Lent Study Group. These will take place on a Wednesday afternoon at 2pm in Eagle Church vestry, as it is the easiest to heat!!

Please do join us for these sessions, if you can, and let it challenge you on how you can live a loving life.

As ever

Andrew

Poppies for Remembrance

Eagle Church is planning to have a display of knitted poppies to cascade from the Noticeboard in the Churchyard during the period of Remembrance this year.

We are hoping to get the whole of Eagle Village involved.

You do not need to have knitting or crocheting skills as we will be holding workshops for anyone who is interested in taking part in this Village project and to learn how to make these poppies.

The first workshop will be held on **Tuesday, 12th** March, 10 – 12 noon during Coffee Stop. Please bring knitting needles or a crochet hook, but do not worry if you do not have these as there will be some available. Please bring any donations of red and black wool.

If more poppies are made than are needed for the cascade we can display them in different areas of the Churchyard.

Any queries please contact Sue Stiles 869296.

THANK YOU.

Jean Roberts

Richard Johnston
District Councillor for Skellingthorpe & Eagle (including Swinethorpe), Nth Scarle, Doddington & Whisby
February Report

Flooding - a number of residential properties have suffered from the threat and actual flooding. I myself have twice watched flood water creep up my garden threateningly towards the house! I also know, from first hand, the impact that flood water has had of my 'patch', particularly with Skellingthorpe and homes flooded in North Scarle with the invasive overflow of sewage into homes! Some concerns also with ground water threatening to flood both in Eagle & Doddington. Roads have been closed and some remain so, with sandbags in evidence bringing additional problems to work around. My thoughts go to those suffering in our area.

The confusion over getting to know who's responsibility it is, this has been particularly frustrating with Water Authorities, Internal Drainage Boards, Councils & the Environmental Agency all involved; but lack of clarity on who does what, has delayed getting things done! The NKDC has a relatively small official role and the impact it can make within its areas of responsibility. These are mainly with its tenants and the timely provision of sand bags. Although our Officers and Councillors are involved across the District. The response to sandbag distribution from NKDC has been excellent in supporting the Parish Councils who are coordinating locally, with the provision of sand containers & sand. The importance of a local emergency plan has been highlighted with now 2 flooding incidents in such a short space of time. Some Parish Councils have well developed Emergency Plans in place.

EAGLE VILLAGE HALL

AGM

The Annual General Meeting and election of the Village Hall Management Committee for 2024 will be held on

Wednesday 21 Feb 2024

at 7.00pm

All residents of Eagle are welcome to attend.

Some of our committee are stepping down this year so we are seeking volunteers to support with the continued success and running of the hall. Any village resident can join the Committee and would be very welcome!

(Without volunteers to help with the maintenance and running of the Village Hall, it would have to close)

Hello Again from Eagle School Since the last edition, we have said farewell to Mrs Hayley Adams as Head Teacher and said hello to Mrs Wendy Daley as Head of School.

“I would like to take this opportunity to introduce myself. My name is Wendy Daley and I have the privilege of being the new Interim Head of School at Eagle Primary School. Over the last few weeks, I have thoroughly enjoyed getting to know the staff, children, and parents, all of whom have made me feel extremely welcome. Eagle School is such a warm and nurturing environment, where there is constant buzz of learning. The children are always keen to articulate their learning and do so with enthusiasm. I am looking forward to helping the school continue on their journey, to ensure that the children become ‘Highflyers’, whilst living out our values of, Perseverance, Respect, integrity, Diligence and Empathy.”

LIVES - CPR Workshops

The children were visited by LIVES and had an exciting opportunity to learn about what to do in an emergency. It was made clear to call 999 and remain calm. But as well as this, the children had the opportunity to learn about CPR and the defibrillator – particularly pertinent as our school de-fib arrived in the summer and is mounted in the corridor. We have signed up to the national scheme so responders know we have a defibrillator on site that they can utilise in an emergency.

Little Eagles Stay & Play

We opened up Little Eagles in December to anyone who would like to come and see our setting in action and join in the fun for an hour of Stay & Play across the Early Years area. This gave visitors the chance to see the Playroom, the Reception Classroom and the outside spaces (albeit a little chilly). If you or anyone you know has a child looking for pre-school nursery places, please let them know we are happy to show them around at any time.

Busy, busy, busy December 2023

We were very busy before the end of the Autumn term when we shared our project gallery with parents, where our children displayed their project homework which they created to support their Autumn learning. Our topics were “Night and Day”, “Flight”, “Extreme Weather & Survival” or “Mexico & the Maya”. Reception & KS1 shared their Nativity with parents in Eagle Church and we also had a Talent Show in school.

We visited the Newark Pantomime – Snow White courtesy of FOES, who also ran a Christmas mini-market to raise funds for future projects to benefit the children. We could not do without FOES, they add all the little ‘extras’ that make Eagle School a great school to be a part of – Thank you FOES.

Best wishes for 2024 from us all at The Railway Inn

Wow what a busy few weeks it's been!! We were involved in so many lovely community events throughout December including the Halfway Heroes Bike Run to The Children's Ward at LCH, Quinny's Christmas Quiz was fully booked, the Ladies Night Christmas meal was enjoyed by us all, we welcomed the village Carol Singers and the North Scarle Cricket Club Christmas Tractor Run went ahead despite the unexpected snowfall!

Our raffle was drawn on Christmas Eve and saw over 70 prizes being won including a Samsung 32" TV, an Air Fryer and numerous cash prizes. Hardy's of Farnon donated a Christmas Hamper which we were able to raffle separately and raised £428 which will be going towards our 2024 target of £1,500, which we are hoping to raise for MacMillan Cancer Care.

A great night was enjoyed by us all on New Year's Eve and we would like to thank every one that came and made such a fantastic party atmosphere.

The beginning of 2024 has seen us sponsor a Guide Dog puppy called "Sage". We look forward to hearing all about her progress over the coming months.

Eagle Parish Council

A full copy of all Parish Council minutes is available on our website: [Homepage – Eagle and Swinethorpe Parish Council \(lincolnshire.gov.uk\)](http://Homepage – Eagle and Swinethorpe Parish Council (lincolnshire.gov.uk))

The parish council can be contacted via email at parish.clerk@eagle-swinethorpe-pc.gov.uk

The dates of the next parish council meetings are 28th February 2024 and 27th March 2024 .

The Parish Council has 2 vacancies, if you are interested in becoming a parish councillor or would more information, please contact the parish clerk or speak to any member of the committee.

A new polling notice has been displayed, advising the residents of Doddington & Whisby Parish that they will now cast their votes at Eagle Village Hall for the upcoming elections.

The CCTV camera at the playing field is still broken, after it was vandalised earlier in the year.

The blocked culvert at Swinderby Station has been reported as a complaint to Network Rail, Councillors are meeting with representatives from Network Rail to highlight blockage being the main reason why the station carpark floods.

The memorial plaque which has been damaged and removed from one of the benches at the park, will be replaced by the Parish Council.

A request for yellow lines to be applied to the entrance to Harrier Hill, and the junction of Thorpe Lane & High Street has been received. Cllr Alan Briggs, the County Councillor is going to investigate the possibility, Parking Enforcement is now a civil matter and the responsibility of Lincolnshire County Council, not the Police.

Planning –

Retention of portal framed building and associated yard hardstanding, plus retention of base for future erection of polytunnel and siting of solar PV panels on portal framed building. **Land at Beehive Lane, Eagle Barnsdale. Ref – 23/1344/FUL.**

The Parish Council had 'no comment' to make for this application.

Rachel Popplewell, Parish Clerk

Watercourses—who is responsible for maintenance of ditches and culverts?

Since the heavy rains in the past couple of months, many of the drainage courses in the village have been challenged to the point of overflowing. The Parish Council has sought information from the Internal Drainage Board to help everyone understand who should maintain watercourses where they are adjacent to property.

Two leaflets have been made available, and will be posted on the Parish Council website, and the Eagle facebook pages along with this issue of the Eagle Eye. They give quite detailed definitions of responsibilities.

If you own land with a watercourse running through it, along its boundaries, or under it, you have certain rights and responsibilities that in legal terms make you a “riparian owner”.

The leaflets help to explain what this means and whether you might be a riparian owner of an ordinary watercourse.

Responsibilities of riparian owners include (but are not limited to):

- Not obstructing the flow of a watercourse to the detriment of neighbours
- Keeping structures clear and free from obstruction
- Not allowing the watercourse to become polluted
- Seeking permission to use herbicides to control weeds in water or on the banks next to a watercourse

If you would like a paper copy of the leaflets, please contact parish.clerk@eagle-swinethorpe-pc.gov.uk.

DINE IN STYLE AT THE CASTLE HOTEL

Lincoln's long, rich history, heritage and traditions attract numerous visitors, from global origins, all year through. Lincolnshire's very popular coastal resorts offer fun for all the family. Lincoln Castle dates from the 11th century and is a major attraction in the city of Lincoln. Throughout the year Lincoln Castle hosts many events. Lincoln Cathedral is a further major attraction and events take place here all year round also. Guided tours of both the Castle and Cathedral are extremely popular. The restaurants and eateries in Lincoln provide foods and beverages for all – from a simple tea/coffee to fine dining.

The Castle Hotel, located in the heart of the historic city of Lincoln, offers luxurious accommodation and Serviced Apartments. Several types of very impressive rooms are available which have award-winning interior designs. For example, Executive Doubles can be found in the 250 year old Coach House. The Castle Hotel and also the Head Chef, Simon Hibberd, have gained a good number of prestigious awards. Having been recommended the Reform Restaurant, I ventured forth. Table settings are pristine.

To commence my dining experience I opted for EGG ROYALE. This proved to be an excellent choice, with my taste buds being very appreciative. For main I selected COD, SMOKED SALMON & PRAWN FISHCAKE (Pickled Cucumber & Dill Salad, Tomatoes, Rocket & Rouille). The complementing flavours were outstanding and, certainly, 'Compliments to Chef', were duly sent. Being packed, succulent, tender and flavour-some, plus the excellent presentation, this dish impressed me, greatly. Head Chef, Simon Hibberd, ensures perfection, with his brigade. Other popular main course choices included Braised Blade of Beef and Twice Baked Cheese Souffle, amongst others.

Desserts offer several tempting delectations and I favoured BLACK FOREST CHOCOLATE MARQUISE. This made a perfect ending to the dining occasion. Wines/drinks have something for all tastes.

Celebrations, occasions and wedding receptions (speciality) are easily accommodated. Gift vouchers are available – a great idea to surprise someone special, for dining or a short break. Christmas Hampers are always ordered well in advance. Thank you to Paul (Co-owner) for his genuine welcome and to Philippa, for exemplary service throughout. Highly recommended.
