Editor's note

I would like to start this issue by introducing myself. My name is Abbie and I will be the new editor and treasurer for the Eagle Eye. Although I don't live in Eagle, I work for Carmel Nickerson, who I am sure many of you know. Carmel and myself will be working on the magazine together and Carmel will be keeping me up to date with everything your wonderful community has going on. I will also be attending any events I am able to, to meet some of you and to allow me to complete write ups on these. I am passionate about all things community, which includes Parish Magazines. I think they are a vital part to any community, bringing everyone together and keeping everyone informed of what's happening. Over the next few issues I will be making a few changes to the magazine, adding a few things and giving the magazine as a whole a new fresh look. If anyone has any ideas they would like to put forward please drop me an email. I would love for the magazine to turn into a community effort where everyone can be involved.

I'd also like to take this time to thank Jane and Anne for all of their dedication to the Eagle Eye. I know you have both worked tirelessly to keep the magazine running, which I am sure the whole community appreciates. I would also like to thank them both for all of their support during the transition of me taking over their roles. I hope I do you both proud and you enjoy seeing the changes over the next few editions.

A lovely letter received from Natalie from the Village Shop & Post Office

It is with a heavy heart that I am writing to let you know that Eagle Village Shop & Post Office will be closing in July. There are numerous factors that have led to this decision, but the overriding reason is that it is no longer financially viable to keep it open. We have persevered with electricity costs tripling and mortgage rates rising significantly, however at the end of 2023 Royal Mail ended their rental agreement on the sorting office at the rear of the shop (This is why we no longer have our own village postie) and recently Post Office have removed the National Lottery service from all branches. With this service / rental being removed the business is now losing over £12,000 per year which is a huge amount for a small business to absorb. The shop has been up for sale since last summer. Post Office have (rightly so!) been in the news for all the wrong reasons and I am sure this has contributed to the lack of interest. Add to this the financial loss we are now facing and it is not surprising that we have been unsuccessful in selling it. We have therefore decided that we need to close. The shop has been a part of village life for over 20 years and I am sorry that it will no longer be here. It has also played a huge part in our family's life and we feel privileged to have been the custodians of it for the last 5 years. The friendships we have made are long lasting and I could write a book about some of the stories I have been told / been witness to! Thank you to every single person that has supported the shop and post office, it means so much. Thank you also to Anne, Katy, Christine and Chrissie who have helped and supported me to keep the shop running, they are all amazing and I am truly grateful to them. We plan to close in July and services will run as normal until then. Once we have a definite date for closure I will display it in the shop window. This has been an incredibly difficult decision to make and I am sad to be closing.

Thanks again for your support and understanding, Natalie, Paul and Family

Question – An elderly family member needs some new shoes but because of poor mobility cannot go shopping. How can I measure her feet at home so I can order the correct shoes online?

Answer – Foot size gauges, the types which all shoe shops have can now be purchased online. Amazon have a range for both children and adult feet. Average cost is around £10.00

Question – Are next of kin responsible for care home fees after a family member dies?

Answer – When a resident dies in a care home, next of kin will not have to pay any outstanding care home fees, as this will be taken from the deceased person's estate unless a specific contract has been signed with the care home, saying you will do so.

Question – Are incontinence products free?

Answer - Incontinence products on the NHS may be free but it depends on the local integrated care board (ICB). Ask your GP for details of your local continence service who can advise you.

Best wishes

LETTERS FROM CANON REV. ANDREW VAUGHAN

Hello (Sent 09/04/24)

As I write this set of ramblings my mind flits between work, and the will we won't we debate of whether The Imps will make it into the play offs.

After a week off, post Easter, I am also very conscious of the importance of place. During the week off I travelled the length and breadth of the country, with football to Carlisle and Reading, and to Newport in South Wales, where I had to check on my parents grave, but also got in 2 days of bird watching, in Newport, and a new nature reserve that was in one of my former parishes, and which was being talked about as we left there in 1989.

All of this travelling reminded me that we are all shaped by place, and that one of the beauties of the Church of England, is that through the parish system, and in the past with its support of chaplaincy, it is a symbol that place is sacred.

For our group of parishes we have 4 beautiful villages, that can be places of flourishing, and above all hope. If we think about it the disciples recognised the Risen Jesus, in specific places. A symbolic reminder that hope breaks into those places and contexts that are significant to us.

I pray that in a world of challenge we may find hop, rooted in our context.

As ever

Andrew

Hello (Sent 13/05/24)

As I sit and write this piece, I am still waiting to see my first Swift of the year. These marvellous birds migrate from the southern parts of Africa to breed here, and spend most of their lives on the wing. Normally I have seen plenty of these beauties by the end of April.

While we have had bad weather, the April cold/wet snap the absence of Swifts makes me ask are there greater issues at play, such as environmental change. Over recent months I have heard of arable farmers having to re-plant crops at least 3 times due to the unprecedented rainfall of the autumn and winter. What this will do for food security in the coming months must be of great concern.

For me the created order is a window into the beauty of God, the gift of God, and here we are on the precipice of that beauty collapsing.

During the Trinity season the main colour in our churches will be green, so altars will have green frontals, clergy vestments will be green. It is seen as a season of growth. How do we grow with a sensitivity to our created order? The World Council of Churches promoted the mission statement of Justice, Peace and the Integrity of Creation. If any one of these links break there is the potential for destructive chaos.

I hope and pray however we stop and ponder, contemplate or pray we grow in a sensitivity to our world.

By the way, I was only feeling flat after Lincoln didn't get into the play offs, as we had an uphill battle, but as ever I am hopeful and looking forward to next season.

As ever

Andrew

Patient Participation Group News

Hello again to everyone from your PPG (Patient Participation Group) at Collingham Medical Centre; serving Collingham and several surrounding villages. We are volunteers who meet regularly to share information and support the work of the medical centre staff.

PPG Noticeboard and FFT surveys

Our new noticeboard has been installed in the Medical Centre waiting room (On the right hand wall near the entrance). Please look out for notices displayed there about who we are and the work we do. Next to the noticeboard is a Perspex box containing some feedback forms called 'Friends and Family Test'; we always welcome feedback about the Medical Centre and will do our best to address any concerns, as well as receiving compliments!

AGM – Monday 3rd June

The AGM for the Patient Participation Group will be held at 10am on Monday 3rd June, at the 'old 'library', adjoining the Medical Centre. You are welcome to come along to this meeting and hear about the work we do ; you may even be thinking of getting involved yourself? We are happy to answer any questions you may have about our role.

COVID Spring booster vaccinations

At our April meeting, Collingham Medical Centre let us know that the spring booster vaccinations for COVID will be carried out between 15th April and 30th June. Patients who are eligible to receive this booster will be invited to attend, although priority will be given, as always, to those patients who are either care home residents or are housebound.

Mini Fridge

Collingham Medical Centre are very pleased and appreciative to have been supported by Collingham Village Care group to purchase a very useful portable 'mini fridge' for storing and transporting vaccines to patients.

News from Eagle School

The children have worked incredibly hard this term and continue to speak about their learning with enthusiasm. We have been learning about Pirates, The Home Front, Transport and Travel through Europe, and Natural Disasters.

Our School Community

It is important to us that we are part of the village community, getting involved where we can and giving back too. We hope to see everyone at our Summer Fayre on **Saturday 2nd June**, 11am to 2pm, which is organised by our brilliant Friends of Eagle School (FOES). If anyone has any spare wellington boots for our Wellie Wanging competition, they would be gratefully received.

After half term, Class 2 will be joining in with the church coffee morning. We are looking forward to meeting some of the church community.

The Great Eagle School Bake Off

Another great event organized by the Friends of Eagle. The entries were of a really high standard and absolutely delicious - I know from the couple I quality assured! The feedback from Vines bakery, who were judging, was equally as positive. The total raised was £156.

FOES Delights

Every Friday after school, parents have been busy baking to provide an after-school bake sale. A lovely way to end the school week and start the weekend.

Sports and Forest School

Our school football team hosted their first home match against Swinderby Primary School. It was a well fought game, ending in a 5 all draw.

The children have participated in an enrichment session with Premier Education, where they learnt the art of fencing. All the children thoroughly enjoyed the experience.

All classes have enjoyed Forest School sessions, where they have been fire lighting, bread making, learning how to shoot at a target in archery, gardening, participating in team building games and Hapazome (Japanese leaf print art).

SATS

Our Year 6 children made the staff at Eagle extremely proud with the way they approached their SATS tests. It was a tough week with Reading, Grammar, Spelling and Math's test but all the children showed mature and positive learning attitudes. Each morning started with a feeling of togetherness by sharing in a pre-SATs breakfast.

Free Breakfast Taster Sessions

These are taking place every few weeks on a Friday morning. So far, the children have enjoyed a French themed breakfast with boules, and an active rounders session which began with bacon or sausage sandwiches. Our next breakfast is a gardening club. If anyone has any trowels or small gardening forks they would like to donate, they would be much appreciated.

ROAD SAFETY

The children in Class 2 took part in a road safety lesson with **Mrs Garfoot, a Road Safety Officer** From Lincolnshire Road Safety Partnership. Our new Junior Road Safety Officers were also inducted into their new role.

Eagle In The Past by Jane Wallis

Eagle in 1978

With the very sad news of the closing of the village shop, comes some reflection of how times have changed for village life. The sense of Community is subsiding as there are fewer and fewer groups that meet, and hardly any events being held on the Playing Field. The reasons are many, and are the subject of lengthy debates on the effects of technology and social media on life today – but whole books will be written on this for sure!

The newspaper article placed in the village hall supports that feeling – listed below are the groups that used to meet. Names are included purely for nostalgic reasons – many names will be fondly remembered by residents today (indeed one or two are still here ☐)

Village Hall Management Committee	Mr W Turner
Playing Field Committee	Mr W Halliwell
Parish Council Clerk	Mrs J Halliwell
Conservative Association	Mr Hugh Battersby
Women's Institute	Mrs E Norton
Sunshine Club for over 60s	Mrs O Lincoln
Village Produce Association	Mr J Hinds

Guides and Brownies	Mrs J Haycraft and Mrs M Machell
Football Club	Mr and Mrs Garfoot
Church Council and Sunday School	Miss G Kent

The shop and post office have been central to supporting the community, and all best wishes are offered to Nat and her family for the future, and to Chris and Chris going forwards.

As always, there is plenty to do to make your visit to us an enjoyable experience.

Our latest venture has been to extend and fence the outside patio area behind the marquee. We've put down paved areas for new picnic benches and turf has been laid in the beer garden to the side of the marquee. Everywhere is looking fresh and rejuvenated.

We were under time pressure with this project and couldn't have managed without the help of family and friends. On this occasion we had to bring in the professionals.....

Local team, M&P Construction and Civils, did an excellent job and got everything finished on time for us.

We were honoured to host our first wedding of 2024. Everyone had a wonderful day and the sun shone after a wet few weeks.

There's work going on, that isn't obvious while your sitting in the sunshine enjoying your tipple, to improve facilities for our camping site and this will continue over the summer months. The next few weeks will also see work starting on the beer garden opposite the restaurant and we look forward to enriching the outlook there as well.

This is where we will be siting the commemorative bench purchased in memory of our lovely Jayne ♥

DINE IN STYLE: THE BRONZE PIG

Having a very long history, the city of Lincoln attracts a vast amount of visitors, with a good number coming from overseas. Visitors, plus locals and residents, delight in Lincoln and Lincolnshire all year round. Certainly, the splendour of Lincoln's Cathedral and the very impressive Castle draw visitors constantly, with both venues offering guided tours and also having extremely popular events throughout the year. The tours and events are regularly booked well in advance. Eateries and restaurants, in Lincoln, offer something for all requirements – be it tea/coffee, through snacks, to fine dining and banquet occasions.

I located The Bronze Pig (opened 2015) in the historic quarter of Lincoln and was truly welcomed by Pompeo. The Bronze Pig is renowned in Lincoln and the name is inspired by Sicilian-born proprietor Pompeo Siracusa, who is also accomplished in the knowledge of fine wines. This Michelin Guide-listed restaurant has numerous regular diners.

To commence my visit, at a lunch time, I chose Ox Tongue Hash (Crispy quail egg, spring salad, redcurrant). A most excellent starter, having very good flavours and texture.

For the main course I opted for Miso Cod (Honey baby beets, ginger, tenderstem pickled enoki, sweet potatoes). This arrived with aromas to entice and an impressive presentation - 'Compliments to Chef'. The complementing flavours of ingredients were superb. Head Chef, Daniel and the team continually create the most impressive delectations. Other main course choices included beef, duck and pork.

For dessert, Champagne Poached Pear (Victoria sponge, lime sorbet) - just perfect!

Quality wines and drinks are available and include a splendid Sauvignon Blanc, which was notably sought-after by royalty and nobility that includes Louis Philippe and Napoleon. Parties, occasions and private functions are easily accommodated. Thank you to Janine for exemplary service throughout.

The Bronze Pig offers exceptional fine dining experiences, plus individually -designed, luxury en-suite guest rooms. Bookings are advisable for popular times. The Chef's Tasting Menus look very impressive. Speciality dining events (Best of British Night, Sicilian Night, Wine Tasting Night and more) are extremely popular, being booked well beforehand.

Highly recommended.
