During the Pandemic and lockdowns, the Medical Centre remains open for our core NHS services, sadly non-NHS services and non-essential, i.e. Health Checks, Minor Ops and Travel Advice are suspended. We are currently operating a telephone appointment service where we ask a clinician to call you. Please do not attend the surgery unless you are invited by a clinician to do so, as we are staggering appointments throughout the day and different zones of the building to work in a COVID safe way. Please post Repeat slips and mail in our external letter box. Thank you.

COVID vaccines are being administered centrally. Please respond to your invite when you receive it. Once you've had your vaccination continue to follow COVID guidelines, until the government advises that enough of us have been vaccinated to relax the guidelines.

Our communication with patients relies on current information. If your personal details change, including telephone numbers, please let the practice know. Thank you.

Out of Hours Service is provided from 111 when the surgery is closed.

All Saints Church, Eagle

At the moment the Church is closed, both for services and private prayer. Let us hope that it won't be too long before we can welcome people again. Meanwhile we wish everybody well and hope you avoid the virus.

For Pastoral matters and Memorial Stones please contact the Churchwardens,

Sue and Chris Stiles 869296.

A Healing Prayer

Our God,

Your Word says You answer and deliver people
when they call on Your name.

So we ask that You would heal and protect those who are sick
or who are carrying the Covid-19 virus without knowing it.

Provide a cure for the Coronavirus, heal our economy,
and bring a quick end to this darkness.

Whether healing comes today, next week, or next month,
we believe You will heal our world.

And we will continue to praise You,
even as we wait for answers.

In Jesus' name, Amen.

Editor's note

I think perhaps we all hoped that we would be pulling out of the pandemic by now—but we are in lockdown again for the foreseeable (and as yet undetermined) future. But vaccines are rolling out, and the snowdrops are coming, and hope springs eternal...

News from the village groups is a bit scarce, understandably, as there is not very much to report. We miss news from the School, but they are under such pressures and best wishes are sent to them for the job they are doing.

The new care home is nearing completion, and an update from the manager is very welcome in this issue.

We also have an insight into how our new-found desire to walk in the countryside is affecting a local farmer, not always in a good way.

It occurs to me, that quite a few people have moved into the village in the past twelve months, and due to the confined circumstances that we have found ourselves in, probably aren't aware of the groups that otherwise would be working hard to provide great community events. (The last event in the Village Hall was in February when the 40's night fundraiser for the Plane Memorial was a massive success). I'm thinking particularly of the Village Hall Committee, the Playing Field Committee, The Village Produce Association.....all of these groups are crying out for new helpers and new ideas. Contacts for these groups are on the back page of every Eagle Eye—if you'd like to get involved in Eagle Village life as it should be, please reach out and contact them.

Meanwhile—stay safe, and enjoy the spring.

Jane

Update on collecting donations for the Eagle Eye.

Following on from the great response to the questions posed about raising some funds for the Eagle Eye, the plan was to have launched an appeal during February and March.

However, as we are still in the grip of lockdown and all the strains upon normal life that imposes, we will leave this until later in the year.

In the mean time, we will be looking at the easiest ways to enable collection of donations, both in person and electronically—so watch this space next month, when we hopefully might be in a position to do more than we can at present.

Update on Parish Council grant projects.

You may recall that the Parish Council was given a Small Business Grant & Retail, Hospitality & Leisure Grant of £10,000, and they asked for ideas from the village about how this should be spent. The Parish Council has decided the following:

A good response was received, and it was decided unanimously at the last meeting (minutes of which have not yet been agreed and signed off, so are not yet available) to investigate purchasing four sets of traffic calming signs, similar to those in Thorpe on the Hill. This was the most-suggested idea of those submitted and the one which will benefit most of the village population.

Letter from Rev Andrew Vaughan

Hello everyone,

It seems so strange that for nearly 12 months getting together to socialise has been very difficult. Even to do something simple has meant detailed planning, with no room for spontaneity. Yet in the midst of this there are glimmers of hope, we are seeing the roll out of vaccines, the continued development of treatments. Being heavily involved with football I have come to value Professor Jonathan Van Tam's analogies, reminding us we are now in the penalty shoot out of a final and have to keep our nerve to see it through to victory.

As you will have seen, the Churchwardens, PCC and myself took the difficult decision to suspend public worship on grounds of community safety. While we were confident that our protocols were robust, we simply didn't want to take risks with the concerns about the variant Covid-19 strain. We are able to hold funerals with about 20-25 in attendance.

Amidst this concern though there is always signs of hope. As I sit in my study writing this I can hear a Great Tit, with its monotonous "Teacher, teacher, teacher" call, a sign of spring, a sign of hope for new life. I hope and pray that in the coming weeks we can all find signs of hope.

As ever

Andrew

FRIENDS OF EAGLE SCHOOL JANUARY NEWSLETTER

Let's start with a Happy New Year from the committee, we made it through 2020, and although 2021 hasn't started as we would have hoped we can get through this Team Eagle!

We would like to say a huge THANK YOU to everyone who supported us last year, we really hope you enjoyed taking part in our Scarecrow Trail around the village, seeing the Tree lit up at school and taking part in our Christmas raffle. We rounded the year off with our 12 Days of Christmas event in school with FOES providing each school age pupil the gift of a Team Eagle hoodie to be used for PE – we can't wait to see them in use when everyone can return. Your continued support makes such gestures possible!

With school unfortunately closed to many students we don't have any planned events to tell you about but we will be working away in the background on a list of ideas for when it is safe for us to put on events or provide the materials for the children to take part in activities.

Until then, we thank you again for your continued support. Please stay safe, and take care.

Hatzfeld Care

Eagle House Residential Care Home has been newly renovated into a 32 bed home with communal spaces, beautiful landscaped garden areas and an Orangery.

The service will provide care and support to individuals from ages 18-65 and 65+ with many different mental health conditions and our main aim as company is to support and work with individuals to build the life skills they need to move on into community independently.

We will be promoting and supporting individuals to maintain their health and wellbeing by attending medical appointments, arranging family visits/events, engaging in a wide range of daily activities, attending college/work experience, to learn new life skills such as cooking/cleaning and to access the community.

Kiri Abrams will be the Registered manager of the service alongside a qualified and experienced staff team who will provide support and care 24 hours a day.

We are hoping for the service to be opening around the beginning of March 2021 where we can welcome new residents into their new home and ensure they are provided with the best quality of care whilst they are at Eagle House.

We would love to invite our local neighbours to an open day at our new service in the near future.

We would like to thank all local neighbours for their patience and cooperation whilst the building works have been in progress.

If you have any questions or enquiries, please do not hesitate to contact Kiri Abrams on 07704425760 or alternatively email kiri@hatzfeld.co.uk.

Footpaths, Farm Land and Dog Mess

To all that live in Eagle Village— my Home and my Place of Work.

It saddens me to write this article but after the last couple of years it has come to the point of having to put pen to paper. I am the farmer that has the land adjacent to the park, and either side of New Lane off Thorpe Road, Eagle.

As times change in our modern world, sometimes not for the better, we are encouraged by programmes such as Country File and the like to go out and enjoy the countryside. And why not, as the countryside is a beautiful place for all to enjoy, especially with the current pandemic we are in. We are constantly being told to stay at home, so a walk around the village or to the park or even a little further is just what the doctor ordered.

I and my family are very lucky to live on the edge of the village and to farm some of the land around the village. However, over the past 5 years or so and even more so over the past 18 months, we feel a little invaded by the public sometimes not sticking to the footpaths that have been created by my family over the years down the side of our fields and out onto the farm track. You may have noticed over the past few weeks two new signs that have gone up basically saying private no entry, We have put these up as more and more people think its ok to walk a different route from the park past our house, around our garden and into our yard and out towards the road or in reverse from the road up our drive around our house and either around our fields to our farm track or to the park. Neither way is a footpath, and I ask you to please stick to the footpaths provided.

With walking and owning dogs getting ever popular again it saddens me to have to ask you to kindly take your dog mess home with you and not just leave it laying in the verge for other people to view or worse tread in (or me climbing around in dykes making sure my drains are working and having to look hard first in the over growth to make sure I don't put my hand in it). Some of the public seem to thinks its ok to bag it up and either leave it laying there or try to throw the bag unsuccessfully over the hedge and leave it hanging there off a branch. How can this be enjoying the country side?? For those of you that bag it up but leave it surely you've done the hard part by bagging it up?? Please take it home with you even—the tv series Countryfile touched on the subject a few weeks ago.

The track down to the old irrigation pits is NOT the route to the newly constructed footpath made by the Tarmac group, who have recently quarried the gravel and sand out. Please do NOT feel free to walk down the track for a look around and then turn round to walk back again. I seem to be constantly picking up litter from around the ponds in that area as people think its easier to just leave it for someone else to clean up after them. Same as New Lane—the litter is starting to be a problem, please take your litter home with you along with your dog mess. Myself and some kind people out of the village have better things to do than pick rubbish up on a weekly basis because some of you can't be bothered. ITS NOT FAIR ON US.

One for the Children of the village.

The park has been kindly provided by the Parish Council and maintained by them at sometimes great expense to their budget, for the children of the village to enjoy. My farm land is not council owed and doesn't get funded by the Parish Council and it most defiantly isn't a play park. Could you please use the park provided for you and not my dykes and fields. My fields are not race tracks for your motorbikes and push bikes and my dykes flow better without dams and bridges that seem to now get constantly built.

My fields are my livelihood and the crops that I grow, grow better in the ground rather than being pulled up and thrown about or being trampled on by gangs of kids. Please do not do it, we are being taught to enjoy the countryside and respect it, not destroy it.

I find it hard to believe that people say they want to enjoy the countryside but yet they fail to understand that by treating it the way they do they are ruining it for others. All I seem to be doing nowadays is chasing people off where they're not supposed to be.

Enjoy New Lane and the footpaths around the Tarmac Quarries but please, nowhere else.

Happy Walking.

Regards,

Mick Priestley

The Eagle Stragglers—keeping the village moving

Fay says:

There's now a regular running/jogging/walking club at 9am every Saturday morning. It's called Eagle Stragglers and there's about 30 people who attend. It's completely free and anyone can come, details are on Facebook but I'd like to spread the word to those who aren't on it. Just turn up prompt on a Saturday morning.

Helping households save this Big Energy Saving Winter

Citizens Advice Mid Lincolnshire (CAML) covering Boston, Sleaford and North Hykeham, will be helping people reduce their energy bills and save money as part of **Big Energy Saving Winter**.

They will be supporting people across the region to follow three simple steps to prepare for the winter ahead.

Check to see if they are eligible for discounts, grants and support

Switch their tariff or energy supplier to get the best deal

Save money by becoming more energy efficient

Citizens Advice Mid Lincolnshire are offering individuals and groups the chance to join in with a specially designed online presentation that will lead you through the check, switch and save messages.

As Big Energy Saving Winter 2020 kicks off, new research shows that one in three (35%) bill payers say they are using more energy than they usually would at this time of year.

Energy is an essential service and everyone should be confident they can adequately heat their home and protect their health. It's crucial no-one is paying more than they need to for their energy especially during this global pandemic when many of us are spending more time at home.

For more information and to book a presentation please

We give people the knowledge and confidence they need to find their way forward whoever they are, and whatever their problem

Eagle Memorial Project

In these dark days of winter when everything feels gloomy, at last there is some good news to report about the memorial project.

We have finally received the official permission from the diocese to place the memorial in the churchyard.

So, I have at last been able to give a deposit of £3000 to Leakes Masonry, the company who are going to make the memorial, so that they can now order the granite.

Having paid the deposit we can claim the £1000 from North Kesteven Council that we won in a bid for a grant. Together with a donation of £250 from RAF Scampton and a further donation pledged, we now have the funds to cover the payment of £7140 that is needed for the memorial.

This means that after 3 years of fund raising we can look forward to the day when our memorial, dedicated to the 4 airmen who died in the village during WW2, will finally be in place between the trees at the end of the churchyard near to the War Memorial Arch.

The sadness is that Mr Ray Brewer and Mr Bill Linton, who were instigators of the project and providers of so much information, will not be with us to see the fruits of their labours. Nor Mrs Sheila Meanwell who has told us the story for perpetuity. RIP Ray, Bill and Sheila.

To report a fault

A fault is something wrong with the highway network that requires fixing.

Typical examples are potholes, street lights that are not working and broken or missing drain covers. The best way to report a fault is to log it on the web portal at www.lincolnshire.gov.uk/faultreporting

To enquire about highways services

Typical examples include when will the road improvements in my area be carried out. There is lots of useful information on our web pages at www.lincolnshire.gov.uk/transport-and-roads

If you can't find what you are looking for or the enquiry is about something very specific please email us at cschighways@lincolnshire.gov.uk

NOTICE FROM LINCOLNSHIRE HIGHWAYS DEPT:
REPORTING HIGHWAYS ISSUES

All highways issues should be reported via www.lincolnshire.gov.uk/faultreporting. The online system is the quickest and easiest way to report problems and is available 24/7.

However, you can also raise matters via customer services (by calling 01522 782070 or emailing cshighways@lincolnshire.gov.uk) or by contacting your local county councillor.

While we realise that you may prefer to speak to the local highways officer directly, we need them out dealing with highways issues not in the office on the phone. For more complex, ongoing issues, you can request an annual meeting with your local member and the highways team.

In addition, my support councillor, Cllr Perraton-Williams, and I are currently committed to visiting each parish and town council with the local highways team.

I can assure you that all issues reported will be dealt with.

Kind regards CLLR RICHARD DAVIES

EAGLE & SWINETHORPE PARISH COUNCIL

Eagle Parish Council

Three sets of minutes have been approved since the last edition of the Eagle Eye for the 27th October, 1st December & 22nd December 2020. A full copy of the minutes can be found on the Parish Council website.

<https://eagle-swinethorpe.parish.lincolnshire.gov.uk>

The parish clerk can be contacted by either email at - parishclerk@eaglevillage.co.uk or by phone - 01522 868936

The dates for the next parish council meetings are - 23rd February 2021, 30th March 2021 and 27th April 2021.

Parish Council meetings are currently being held online. The meeting access information can be found on the agenda, or please email the Parish Clerk.

Welcome to Cllr David Parkes who has re-joined the parish council in December 2020.

The Parish Council still has one vacancy, if you are interested in becoming a Parish Councillor or would like some more information please contact The Clerk or any of the Parish Councillors.

Planning

The Parish Council **supported** the following planning application.

Conversion of garage/workshop to form 1 new dwelling. Scarle Lane Eagle Ref 20/1427/FUL.

The Parish Council submitted '**no comment**' to the following applications

Proposed rear extension, Moorlands Mill Lane, Eagle Moor, Ref - 20/1435/HOUS.

Installation of External Staircase, The Struggler Inn, High Street Ref 20/1580/FUL

Playing Field.

CCTV has been installed at the Playing Field, the gates to the carpark will remain open until further notice.

New permanent signs were put up at the park with the updated government guidelines re Covid-19 safety precautions.

The MUGA is currently closed due to new Lockdown Guidelines of January 2021.

The Trees over hanging the Playing Field Carpark & BMX track are to be pruned back.

Policies : The following policies were reviewed/adopted -

Health & Safety Policy Statement.

General Information

The Parish Council received the Small Business Grant & Retail, Hospitality & leisure Grant of £10,000. Possible spending options for the money had been received from residents with the final decision yet to be made.

Cllr Campbell laid a wreath on behalf of the Parish Council at the Remembrance Day Service.

The Community Speed watch scheme has been put on hold, the Parish Council are now looking into more permanent speed signs for the village.

The quarry manager from Whisby Lakes had contacted the parish council to remind walkers that they must stick to the permissive paths for safety reasons.

Thanks were passed onto Tarmac for providing a lovely area to walk round with all paths clearly marked and local to the village.

Swinderby Station Carpark.

The Community Ambassador from East Midlands Trains had been contacted regarding funding for the upkeep of the station carpark. The overhanging trees next to the station have been pruned back with the flooding at the carpark being investigated by Lincolnshire County Council and East Midlands Trains.

The Parish Council are considering the station adoption scheme, with the support of the volunteers from Collingham Station Adoption Group. Volunteers from Eagle & Swinderby parishes would be needed to form a group to apply for additional funding.

If you or anyone you know need advice or support, the COVID-19 helpline number is 01522 782189. You can also use this number if you would like any type of advice and support related to Covid.
