Prescriptions line open 10.00am – 12.00pm

*During the Pandemic and lockdowns, the Medical Centre remains open for our core NHS services, sadly non-NHS services and non-essential, i.e. Health Checks, Minor Ops and Travel Advice are suspended. We are currently operating a telephone appointment service where we ask a clinician to call you. Please do not attend the surgery unless you are invited by a clinician to do so, as we are staggering appointments throughout the day and different zones of the building to work in a COVID safe way. Please post Repeat slips and mail in our external letter box. Thank you.*

*COVID vaccines are being administered centrally. Please respond to your invite when you receive it. Once you've had your vaccination continue to follow COVID guidelines, until the government advises that enough of us have been vaccinated to relax the guidelines.*

Our communication with patients relies on current information. If your personal details change, including telephone numbers, please let the practice know. Thank you.

Out of Hours Service is provided from 111 when the surgery is closed.

## EDITOR'S NOTE

Welcome to a bumper edition of the Eagle Eye!

During a socially distanced outdoors conversation we were speaking of the difficulties of moving into a new village during these lockdowns, and not knowing what goes on socially, under normal circumstances. Ali B came up with the splendid idea of giving a space to all of the village groups, clubs and societies to boast their existence, here in the Eagle Eye. ( Thank you Ali ).

Its been an absolute pleasure speaking to everyone and gathering this information, and thanks go to all of those who have contributed to 20 pages of goings-on in Eagle! Who knew!

This is being written at the end of March, where we have just noted the passing of a whole year of disruption due to the pandemic. But Spring has now made her presence felt, and there is optimism that we will gradually resume some degree of normality in the next couple of months. Therefore we should be able to look forward to all of those groups bursting with activities for the summer.

This edition has a bit of a different format to the usual, as I have made the centre pages such that they can be pulled out and kept.

The Eagle Eye will also (hopefully) be put onto the Eagle Information and What's On page on facebook so that it is always available for reference. To this end I will be making as many links to websites, email addresses and fb pages "live" so that direct access is possible—this might take a bit of time and patience though!

I hope you enjoy reading what Eagle is all about—and appreciate what a lovely community we live in. With or without viruses!

Jane

## DOG FOULING IN EAGLE CHURCHYARD

Following a number of complaints, would dog owners kindly ensure dogs are kept on a lead on the footpath in the Churchyard.

Please do not allow your dog to foul any part of the Churchyard.

Kindly clean up after your dog and use the dog waste bin provided.

Thank you

Parochial Church Council,

All Saints Church, Eagle.

## Notice from Revd Canon Andrew Vaughan

Hello everyone

As you know on February 22<sup>nd</sup> the Prime Minister set out the government's plans to ease the social restrictions put in place to control the spread of Covid-19. Soon after that announcement we started thinking about our own roadmap to resume activities within the life of our churches across the group. Obviously, these are all dependent on how and when restrictions are relaxed.

In many senses this process is like a pilgrimage journeying to discover God in the midst of our changed world.

So to our plans. Our first act of public worship will be on March 21<sup>st</sup> at Eagle Church at 10.30am. This will take the form of Morning Prayer. This gives us the opportunity to check that our Risk Assessment is still appropriate. For Palm Sunday we will be back online.

During Holy Week we will have our regular Morning and Evening Prayer at 9am and 6pm on the North Scarle Church Facebook page. Then on Maundy Thursday we are planning a short outdoor Communion Service at 4pm at Swinderby. We will use the tabletop grave just outside the door for this. On Good Friday we will hold an outdoor Good Friday Service at 2pm at Eagle. Obviously, these two are weather dependent, and if we have bad weather will be moved inside.

On Easter Day we will formally return to services inside each Church. These will be 9.30am Easter Communion, Swinderby, 9.45am Easter Communion, North Scarle 11.00am, Easter Communion, Eagle, 11.00am, Easter Communion, Thorpe on the Hill

For the rest of April we will hold services at 10.30am as follows

11<sup>th</sup> April Holy Communion, Swinderby, 18<sup>th</sup> April Holy Communion, Eagle

25<sup>th</sup> April, Holy Communion, Thorpe on the Hill.

The next stage of our roadmap will start in May when we re-introduce some evening services. This pattern will continue for June and July. From July we would hope that the services will be group services where all are welcome. Details of these will be announced in April.

Also, from the start of July we hope that we can resume Coffee Mornings, then September the monthly lunches. These will be dependent on Government advice.

From September we will be launching a new rota of services, which will include singing if allowed. To celebrate this I am planning to do a sponsored run between the 4 churches on the first Sunday of September. At each church we will have a different part of the service. If there are any runners who would like to accompany me for all or part, I will put out details in a month or so.

In the meantime keep safe,

As ever, Andrew

## Collingham Medical Centre newsletter 13/3/21

The Patient Participation Group (PPG) in conjunction with Collingham Medical Centre (CMC) have had a virtual meeting where the main topic was, of course, the Covid 19 vaccination programme across Nottinghamshire. Currently there are now 9 sites delivering across the county and city;

Queen's Medical Centre, City Hospital, King's Mill Hospital, Ashfield Health Village, Carlton Richard Herrod Centre, Nottingham Kings Meadow Campus, Newark Showground, Cripps Health Centre and Gamston Community Hall.

My own experience was very straightforward. I received my invitation letter, logged onto the website given in the letter and was able to choose Newark Showground for an appointment within the week. I was most impressed to receive the second appointment at the same time. I was processed with professional friendliness. Seeing all those people, many of them volunteers made me grateful to belong to such a community. Thanks to all concerned.

Keep up to date with which cohorts the Nottinghamshire Covid Vaccination Programme are supporting @ COVID-19 Vaccination in Nottingham and Nottinghamshire - NHS Nottingham and Nottinghamshire CCG ([nottscgg.nhs.uk](https://nottscgg.nhs.uk)). Lots of further information is available on the link.

There is a significant increase in Covid vaccine expected and the Nottinghamshire Programme has asked GP practices to support this delivery. CMC will be hosting, as an extended hours service, a Saturday clinic on March 27th followed by the 2nd dose on June 12th. Some of the PPG members will be supporting on the mornings of these clinics.

CMC are a research practice and as such they have shared the link on *How are Covid -19 vaccines being developed so quickly?* - YouTube

**Practice news** Dr Karen Fearn will be taking a short sabbatical from clinical work to spend time with family. She will continue to support the practice as a Partner and Clinical Supervisor. CMC are pleased to welcome Dr Francis Dasilva for 6 months April - September 2021.

**Pharmacy News** Dispensaries have been working to a 3 working day turnaround and it is hoped to revert to 2 working days after Easter as the full team are integrated back into the original dispensing areas.

CMC practices in accordance to the Nottinghamshire CCG 28 Day Prescribing Policy and the PPG have suggested that we start a campaign focusing on the value of wasted medicines and to ask that we all only request the medicines we actually need.

Parish Clerk

## News at Eagle CP School

Hello there,

Things have been a little bit different in and around school for a year now! We would like to thank everyone in our community for pulling together to help us respond to the changes placed upon us. Most significantly for the village, our use of all the entrance options to help socially distanced arrival and departure which may have changed parking patterns.

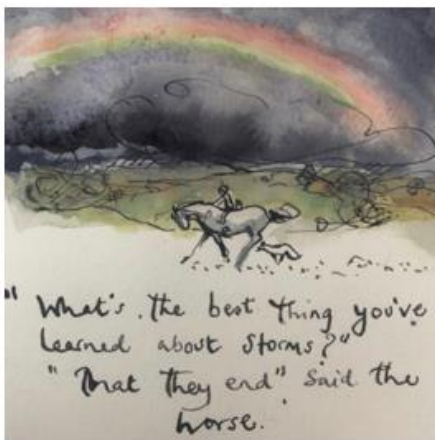

For those with social media, 'time hops' are now appearing reminding us of our journey through the twists and turns the pandemic has taken each of us on. We have never closed, but we have changed lots in school to keep us safe and keep our bubbles open. We have carried on our learning and built in lots of fun theme weeks or wellbeing activities as well as lots of exciting things. To name but a few of them from this school year, we were involved in the village scarecrow trail in October and pumpkin competition; Remembrance activities, flag-raising and commertitive flag raising; the 12 days of Christmas event with crafts and activities in the run up to Christmas; World Book Day; and most recently a Mothers Day making event. Here is a collage of pictures ...

Re-developments to the school site have continued to take place during the various lockdowns and we have been pleased to finish our outdoor space. Our fencing is now complete to section our areas and has also created a new space for our Key Stage One children too! We have also added a new outdoor gym and seating area which we have made brilliant use of in our bubbles.

We are just so incredibly proud of everyone as this last year has been exceptionally difficult.

There has been an incredible amount of resilience and adaptability shown which has helped our school community carry on during the various restrictions and continue to provide schooling and connection.

We are now working on reconnecting with our friends, being active, getting back into our crafts and sharing our skills, as well as unpicking our learning and moving forward with new challenges.

We know our children have lived through history in the making and that they are the future which is not written. There are challenges but there always will be and we have proved how we can get through them together.

Team Eagle continues to fly high.

## Eagle Village Hall

Eagle Village Hall is located at the heart of the village, next to the memorial arch on the High Street.

The hall is run as a non-profit making charity organisation, providing communal facilities for the benefit of the village and surrounding communities. Other than recent funding support from NKDC ( thanks to Covid ) the maintenance committee relies entirely on booking fees and donations to keep the hall open and a warm secure environment.

It was recently upgraded to improve access for the less abled among us and now includes a ramp and automatic front door for easy access. The management committee ensures the maintenance of the building, and its availability for possible functions and clubs as and when required.

The hall hosts a large main room with seating for up to 80 people, a raised stage, and a fully fitted kitchen. Throughout the year it is normally in regular use by local groups such as crafts club, bowls club, exercise classes, parent and toddlers group, community fellowship lunches, fund raisers and celebrations, with special discounts applied for village residents.

Facilities include WiFi, overhead projector ( 2020 ) with screen and PA system available for parties, discos, bingo and film nights etc..

Once we are allowed to move freely and safely again bookings can be made via Facebook , phone or email or contacting Jackie Jinks ( Booking Secretary) directly. Contact numbers below.

If you would like to become involved in helping to manage and improve the facilities in the hall, we are currently seeking new members. We meet once per month—please do reach out to any of the contacts below to find out more.

## Eagle Book Swap

Eagle Book Swap is a free, regular community event to allow local residents to exchange books, DVDs, audiobooks and magazines. It is held at 58 High Street, Eagle, LN6 9DG, following Covid-19 safety measures.

The Book Swap was set up in April 2020 in response to the first Covid-19 lockdown. We wanted to provide a service to the village at a difficult time, during which many of us have been able to read more, and have sought both entertainment and distraction from world events. The Book Swap now has a loyal following and has received very positive feedback, being described by several users as a "lifeline" during the national lockdowns.

From a humble start with a couple of boxes of books, we have now created a small library, offering a wide range of genres, including fiction, crime, thrillers, military, cookery, gardening, biographies and non-fiction. We also offer books for young readers of all ages, and have a super selection of children's non-fiction books to support learning and keep little ones busy at home. We even have the odd jigsaw available!

We plan to continue running the Book Swap as lockdown eases. Days and times may vary, so please follow "[Eagle Book Swap](#)" on Facebook for the latest details, or watch out for the regular updates on the Eagle Village Facebook page.

Thank you to all those who have supported the Book Swap over the past year, and who have made so many generous donations of fantastic books.

Jessica and Phil Mulligan

## Friends of Eagle School

### What do we do...?

Friends of Eagle School, also known as FOES, are a small committee of parents/carers and 'friends' of Eagle School who organise opportunities and exciting events throughout the school calendar, to raise extra funds to benefit all pupils.

We welcome each and every new starter to the school with their first PE bag and Book bag, and every September we meet to plan our calendar of events for the school year.

We hold annual fayres and raffles, craft sessions for special occasions, annual whole-school trips, discos, film and quiz nights to name a few! Our fundraising not only provides these extra opportunities for pupils of the school and for the wider community, but also towards classroom resources and helps to raise money for improvements to the site and facilities.

### Keep in touch and join us!

We are always looking for new members to join the team! If you would like to get involved as a member of the Committee, as a helper, or just have great ideas to pass on, we welcome everyone to our meetings. Look out for updates from school within Newsletters, on Dojo, or via text message for details of our next meeting.

If you can't make a meeting, and have ideas to share, e-mail us at [foeseagle@gmail.com](mailto:foeseagle@gmail.com) or find us on Facebook by searching for Friends of Eagle School

Visit our website and register your child(ren) to keep up to date with upcoming events, confirm your child's attendance at an event, manage payments/donations and let us know your availability to help at particular events by visiting [www.pta-events/friendsofeagleschool](http://www.pta-events/friendsofeagleschool)

### Our motto...

"Enhancing the educational experiences of everyone who attends Eagle Community Primary School, and Little Eagles Pre-School"

We wish to involve all of our community in our fundraising, and find the Village of Eagle and wider local area very supportive and willing to help with our cause. We hold good relationships with local businesses who promote our aims or join us in organising fun events for everyone to enjoy.

### Our current Committee

We currently have an active Chair, Secretary and Treasurer on our board of Trustees and one further member to make up our Committee. All four members hold a valid DBS Certificate, which is a necessary requirement for us to organise and manage events. We would love to have more of our helping and new members apply for a DBS. Full guidance will be given, and the small fee to become a Charity Volunteer will be refunded once completed.

# The Fellowship Lunch

In normal circumstances we would be celebrating nineteen years of the Fellowship Lunch this April, we held our first lunch on 26<sup>th</sup> April, 2002.

The idea started with one of our Parochial Church Council members, Sheila Comley, who wanted to bring the community together with a lunch, so four members of the P.C.C. came together to give it a try, and from the beginning it was well supported.

We had a salad and dessert and people enjoyed being able to chat with friends. If anyone is new to the village they are most welcome and will soon find some new friends.

When Edwin Green retired and was able to come to the lunch he wished to cook us a hot meal and we were certainly happy for him to do so. That was lovely and from then on we were spoilt and have had hot meals ever since. For a number of years now we have had a village chef, Rosie, who has made delicious meals and we hope she may long continue.

During some of the years we were able to support two girls' education, Abie and Filly, in The Gambia, Africa. They will be adults now.

One popular event is Eagle schoolchildren regularly coming to the November lunch to entertain us with some of their songs they have been practicing for their Christmas concert, and look adorable in their costumes.

A year ago the virus put a halt to everything and we don't know when we will all be able to gather safely together again but we are looking into the possibility of doing a take-away lunch in the future when we have opened up again. Watch this space.

## Eagle Village Produce Association

The VPA has been running for as long as I can remember (I grew up in Eagle), and I have good memories of entering the shows both as a child and as an adult. Sadly I don't know exactly when the shows started but can say that 2020 would have been the 60<sup>th</sup> Open (Autumn) Show, and hopefully we might be able to celebrate that milestone in 2021.

Both the Spring and Open (Autumn) Shows follow the same format; although the Spring Show has considerably less classes. It is 25p for each exhibit you bring to enter. All entries are judged anonymously and the judges are not on the committee. We rely on their expertise and willingness to come voluntarily each year to support our shows. They also help us to make sure the right plant or flower is in the right class!!

Once the winner has been identified points are awarded for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> places and then the individual with the most points across that class wins a trophy or cup. Many of the cups have been used for a considerable time, perhaps since the very beginning of the VPA; cups are presented to the winning exhibitors at the end of the show by someone from the community, along with the drawing of the raffle. We also give a certificate and monetary prize for those winning; although it's not a life changing amount!

The Spring Show comes first, the show schedule is always printed in the Eagle Eye, and is mostly about spring flowers that you have growing in your garden, and it is a wonderful way to celebrate the end of those gloomy dark days of winter with some splashes of colour. We also try to encourage those who are not so green fingered, and have classes for exhibiting your favourite pot plant, flower arranging (floral art) and photography; we also try to engage the younger members of the community with a Childrens class (always open to ideas for this one).

The Open (Autumn) Show (schedule also printed in the Eagle Eye) celebrates nature's bounty; vegetables, fruit, flowers and roses, home produce (cakes and preserves) and all types of crafts as well as floral art, photography and a Children's class.

None of us are expert gardeners, we are a small friendly committee that is trying to keep this village show going, where many others have now stopped, and so far we have been successful but that's only because of the support on show days from the local community and we thank you for that.

Hopefully we will be able to go ahead with the Open Show in September 2021, and even if you don't want to put anything in come and have a look when we open to the public again after judging, have a cuppa buy a raffle ticket and see what's going on, hopefully you might be inspired to enter next time.

## Eagle Toddler Group!

We are a small, friendly group who meet in the village hall every Thursday (term time only) at 9.30am. It is run primarily by Phillippa, Sarah and Jess - 3 mums who live in the village. Prior to Covid we were very busy and regularly got 20+ children every week.

We have been shut for nearly a year but are looking to re-open in April.

We have a Facebook page '[Eagle Toddler Group](#)' where details can be found. Sadly, there will be some restrictions when we re-open but we hope to welcome as many returning and new faces as possible.

## Eagle Senior Citizens' Christmas Party

This event which is held in the Village Hall was started in December 2000 by a group of volunteers for the senior residents of the village. A 3 course meal with wine or soft drink is provided followed by a raffle and entertainment.

### FUNDRAISING

The party is funded by holding a PRIZE BINGO and RAFFLE evening in the Spring and Autumn. These Bingo evenings are not just provided for Senior Citizens, everyone is welcome to come along. The prizes for both the Bingo and Raffle are mainly very generously donated.

### CONTACTS.

If anyone new to the village is eligible to attend the party or anyone interested in joining us then we would love to hear from you. Please contact.

Roy and Marion Bell 868567 or John and Jenny Moss 868368.

# Tai Chi Classes

Hi,

My name is Sue Ross and I have been teaching tai chi 7 years. The class I presently run in the village (covid-19 permitting!) is fairly advanced now and as tai chi is a progressive it would be challenging for new participants to join in. If there were enough people interested I would be happy to start a new class when we are able to use the hall again.

For those of you who are not familiar with tai chi, it is a very gentle but extremely powerful form of exercise that is suitable for all age groups and abilities. The principals are not only increasing muscles thus protecting joints and strengthening bones it is a form of meditation in motion.

The programme I follow is Dr. Paul Lams Tai Chi for Health. It is specifically designed to help with the prevention and management of Arthritis, Osteoporosis and Diabetes. There are many facets to tai chi, it can improve mental wellbeing, improve the memory as well as improving health.

If you think you might like to try tai chi, and I realise that it is not for everyone, please contact me.

## All Saints Church, Eagle

Eagle Church would like to work with the whole community to promote a sense of Belonging, Connecting and Flourishing, within the village. This we do starting with our worship that takes place most Sundays, and weekdays. We hope that this worship gives people space to be.

The Church is also a place of celebration; celebration of wonderful times and experiences, but also celebration of loss.

We seek to help bring people together through social events such as coffee mornings, lunches, concerts and exhibitions.

To find out more you can speak to our Parish Priest Revd Canon Andrew Vaughan 01522 687242, [revandrewvaughan@gmail.com](mailto:revandrewvaughan@gmail.com)

## Join us at Eagle CP School

### Are you moving to the area or nearby and looking for a new school?

Why not consider joining Eagle CP School where Ofsted recognise that we place **“pupils at the heart of all the work we do”**. This is a very important recognition as we value our family ethos and the positive relationships we create.

We believe that is important to see our school running as it does on any day, so for us, ‘every day is in open day’, simply give us a call **(01522 868354)** and arrange a visit. Please note that access restrictions may be in place due to coronavirus, as we leave lockdown.

If you are interested in our school and would like to speak to someone out of term time, all messages will be received via [enquiries@eagle.lincs.sch.uk](mailto:enquiries@eagle.lincs.sch.uk).

Little Eagles Pre-School is also available within our school setting. It offers both 15hrs and 30hrs funded provision, as well as non-funded provision and additional hours for children from 2years and above. Within our Foundation Stage Department, we can also provide the opportunity for early year’s children to take up a Pre-Reception morning session in school from the term in which they turn four. If you require any details, wish to secure a place or be added to our waiting list, please do not hesitate to get in touch on **01522 868354**.

## Eagle Craft Group

There is a lovely friendly group that meets every 1st and 3rd Tuesday of each month, from 1.30pm to 3.30pm in Eagle Village Hall. (When lockdown rules allow!)

The cost is £2 for the session which includes a drink. We are a group of mostly ladies, but we do have a lovely man amongst our members and welcome anyone wishing to join. Bring along your craft, what ever it is - needle crafts, knitting, crochet, painting, paper crafts and so much more. It's a lovely time to share your craft, get support, new ideas and CHAT!

Please contact Jacqui Betts on 07581277296 for any information needed or just turn up on the day, once the hall is open again and lockdown allows.

## Eagle Indoor Carpet Bowls Club

Prior to the pandemic Eagle had an active indoor Carpet Bowls Club in the village hall during the winter months. Sadly, as with most other clubs we could no longer play. Hopefully after the summer and a return to some form of normality, we will be able to resume play in September.

The Club was formed on 23 September 1986 and, due to the interest shown, it was decided to form a Committee and, on 16<sup>th</sup> October 1986, an inaugural meeting was held. A Committee was formed and a Constitution drafted. This year we will be celebrating our 35<sup>th</sup> anniversary.

The Club meets every Thursday evening from 7.30 pm beginning on the second Thursday in September to the second Thursday in April. Membership at present costs £5 per person for a season and £2 for each member per evening attended.

It is an enjoyable and sociable evening of fun and includes a 'mandatory' coffee, nibbles and gossip break. If you wish to enjoy a light hearted enjoyable evening come along and give it a try - I don't think you'll be disappointed. Watch the Eagle Eye and village Facebook pages for notification of our return to play. We look forward to seeing you there.

Roger Bishop

Secretary

## Eagle Bowls Club

Last year was a non-starter for the bowls club, like many other organisations. We are hoping to start again in May.

We are a small, friendly club, although we can also be competitive in league matches!.

If anyone is interested in joining us, we would welcome new members.

There is a fee of £20 for playing in the League, or £10 for social members plus a small fee for each game.

Contact Ted or Iris on 01522 704340 for more information and to find out when we will be starting again.

## Playing Field Committee

When the Playing Field was purchased for the Village of Eagle by the Parish Council, back in the 1960's, a group of people formed the Playing Field Committee. These were dedicated people who maintained the field and ensured that it was fit for the village football and cricket teams, and that there was a childrens' play area.

Over the years the committee did a massive amount of fund raising through car boot sales, summer galas, bonfire nights, clay pigeon shoots, donkey darbys—all to keep the field as a great village asset.

Some years later the agreement was made with the Parish Council, that it would fund maintenance of the field (grasscutting, fences, security etc) whilst the playing field committee concentrated on fundraising for new assets—such as the Multi Use Games Area, the new play equipment, the BMX track and the footpath around the field.

Most recently, the committee dispersed, and the Parish Council are now solely responsible for the Playing Field—which means that no fundraising is going on, and no fun events happen on arguably the finest village asset .

So—the PFC really does need to be revived—and it has been fantastic to see the pleasure it has provided for families to be able to meet outdoors whilst otherwise restricted in these past 12 months.

If there are any groups of mums and dads who would like to see the field flourish again, along with the community spirits that are raised by summer outdoor events, – or young people who want to improve the facilities down there then PLEASE get in touch through

[parishclerk@eaglevillage.co.uk](mailto:parishclerk@eaglevillage.co.uk) and you most definitely will be welcomed.

## The Parish Council of Eagle and Swinethorpe

I am a member of Eagle and Swinethorpe Parish Council and just want to give you a brief overview of some of the issues that concern all Parish Councils.

Community safety, liaison with the local police force, Housing, planning permission, street lighting, litter including issues over dog fouling, seats, playing fields and rights of way.

Our task is to take local issues to council meetings and help to make decisions on behalf of the community.

I moved into the village over ten years ago, I worked full time and did not have school age children so I felt quite distant from the village activities. I now work part time and still I don't have school age children!!!!!! Miracle if I did. I began to notice some issues that were causing me concern and I ended up standing in the middle of Scarle Lane yelling at drivers to slow down!!!! Dog fouling and litter all made me want to do something apart from talking to myself.

There is nothing more frustrating than feeling no one listens or does anything. The way to remedy that is to get a voice. So I did and was fortunate to be voted onto the Council.

We can't fix all things but we really try, we problem solve and are aware of our responsibilities. My two Labradors take me out for a walk most days so you can always catch me out and about. I had never done anything like this before but I am so glad I took the leap.

There is one vacancy left on the Council so if you want a voice and want to be heard now is your chance.

If you have any issues you want to highlight please e mail

[parishclerk@eaglevillage.co.uk](mailto:parishclerk@eaglevillage.co.uk)

Kind regards Jane Fulton -Sutton

# Eagle Historical Society

Facebook Page <https://www.facebook.com/EagleArchive>

This is an Eagle Historical Society Archive face book page that holds all the photographs that have been gathered over the years. Here you can post a photograph to share—it may be a family photograph or one taken at a village event or anything that may be of interest to others, please give as much information about the post as you can including place or names or dates etc. If you have old photographs to share but don't want to post them yourself please contact the administrator who will offer to scan and add them for you.

## Village History Archives

If you have any other pieces of village history including books, letters or artefacts to donate please contact us and these can be added to the collection that we already hold in storage in the village hall. We are hoping to catalogue the pieces we already hold when the hall is reopened.

## Further Projects

At the present time we are working on an information board to place on the Village Hall wall to tell the story of the bomber crash, hopefully in the Autumn the memorial will be installed in the church yard.

The Parish Council have kindly allocated £500 of a Covid-19 business recovery grant to help us with this project.

## Contact

For further information on any of the above items please contact Facebook page administrator Simon Spear either on the page or at 01522 869490 or Glenda Spacey on 01522 868182

## Eagle Youth Club

Getting together on the 2nd Wednesday of every month 5:30pm - 7:00pm, located in the village hall.

Children from the age of 5 and over are welcome to come and join in activities, 50p entrance fee, to cover costs, we have a dart board, table tennis, badminton, basketball, board games, craft items and more.

We play music and have a tuck shop that has drinks, sweets and snacks that can be purchased.

If your child is new, please come and fill out a contact details form, then if they are old enough, they can sign in and out themselves, or parents can come and collect, also making sure they are signed out.

## Eagle Stragglers

Eagle Stragglers is a friendly local running/walking/jogging group.

Formed during lockdown and following government guidelines, there are now 50+ members. We meet every Saturday morning 9am come rain or shine at the arch way in front of Eagle Church. People of all abilities are welcome and as guidelines are lifted we will have structured beginning, intermediate and advanced groups where the beginners group will be suitable for people who have never ran in their life, so don't be put off, come and give it a go, left foot. right foot your body will follow.

In the future we are looking to hold an Eagle 10k which could become an annual event. Its a great way to get out in the fresh air, meet the neighbours and get your heart pumping. We have a Facebook page '[Eagle Stragglers](#)' with up to date info on routes and threads for advice.

If you would like more information please don't hesitate to contact Fay on 07500333479.

## Eagle Village Hall 200 Club

This was started early in the 1980's and its purpose has always been to provide a focus of interest for the village and at the same time raise money for the Village Hall, so the decision was taken that 75% of the subscriptions would be returned as prizes in a monthly draw, and the remaining 25% would go towards the running costs of the Hall. These proportions still apply. The current subscription is £2.00 per month per individual number, which is an increase of only £1.00 over 40-odd years (by comparison, a Mars Bar has increased from 15p to 74p, which is almost 500%!).

Draws take place monthly, and every number is entered into every draw (nobody has yet succeeded in winning the first prize of £100 in successive months, but there have been instances of this happening with the second and third prizes, both of which are £50.). There are a total of 10 prizes each month, and the list is displayed on the Village Hall notice board and in the Eagle Eye.

There is currently a short waiting list, and if anyone would like to join the club, please contact me on 01522-869123.

Rodney Fagg

Looking forward to helping our children get out and about with us again very soon.

Despite the dreadful COVID pandemic and all the restrictions placed on our communities and scouting in general, 27<sup>th</sup> Lincoln Scout Group is still here and ready to get going as soon as we have the green light.

During lockdown we have been busy preparing for when we can get out and about and, government guidelines permitting, we have an action-packed programme, all lined up for the remainder of 2021 and beyond.

Our Scout group is thriving and is made up of 4 different groups starting with Beavers who can join when they are 6. Then comes Cubs, Scouts and finally the Explorer Pack for children over 14 years old.

We usually meet weekly at the Oliver Roper Centre at Thorpe On the Hill, unless of course we are out and about having fun and learning new skills.

The Group is run by a group of parents and qualified and experienced, Scout leaders, all of which have undergone training and all of who, volunteer their time to help deliver a varied and interesting programme of fun to local children from Eagle, North Scarle and surrounding villages.

There are around 70 children belonging to the Group at the moment, some of which have been with us for over 10 years and some who are now Young Leaders having grown through the ranks and enjoyed all the group's activities and friendships for many years. We always welcome new children to join us if we have space, (currently there is a waiting list) and we always welcome and are in need of reliable parents and local volunteer adults who are willing to perhaps help out at weekly meetings and on camps and activities.

We have a lot of fun and take part in a whole variety of action-packed sessions that include things like: In the past we have been involved with Tim Peake and his Space Programme, had visits to The Deep in Hull, Fire Stations and Recycling centres, created Pen Pals in the Philippines and learned how to joust, fence, light fires and cook our suppers on stoves.

We have had talks from Guide Dogs to Dentists, and learnt about map reading, studied Chinese New Year and had quizzes, as well as of course going camping, to PGL, playing lots of games, making fun things, and creating lots of friendships.

Although we are not sure when we can restart back to normal meetings – we hope you will come along and join us if you can. We look forward to welcoming all our Beavers, Cubs, Scouts and Explorers back hopefully very soon and fingers crossed some new parents and helpers too.

Why not get in touch and see if you would like to join us as a member or helper, we'd love to hear from you.

## Reflexology – helping you to relax and rebalance

Reflexology is a non-intrusive complementary therapy based on the theory that different points on the feet and hands correspond with different organs and systems in the body. Reflexologists work on these reflexes to help re-balance the vital energy in the body, which in turn improves the general feeling of wellbeing, and aids deeper relaxation.

Reflexology may also provide relief from a wide range of acute and chronic conditions, complimenting allopathic medicinal approaches.

*Using gentle massaging techniques on feet and hands, I have had success in helping my clients with a range of conditions including menopausal symptoms, spinal injuries, sleeping difficulties, autoimmune diseases and arthritic pain.*

I have a Centralia Reflexology Mastership (incorporating Agored Cymru Units at Level 5) in Clinical Reflexology and belong to the Association of Reflexologists.

If you would like to find out more or come for treatments, contact me, Jane, on 01522 869094 or 07976 638822 or email [jane@balancedreflex.com](mailto:jane@balancedreflex.com). My treatment rooms are located in Eagle, Lincoln. [www.balancedreflex.com](http://www.balancedreflex.com) @BalancedReflex

**NOTICE FROM LINCOLNSHIRE HIGHWAYS DEPT:**  
**REPORTING HIGHWAYS ISSUES**

All highways issues should be reported via [www.lincolnshire.gov.uk/faultreporting](http://www.lincolnshire.gov.uk/faultreporting). The online system is the quickest and easiest way to report problems and is available 24/7.

However, you can also raise matters via customer services (by calling 01522 782070 or emailing [cshighways@lincolnshire.gov.uk](mailto:cshighways@lincolnshire.gov.uk) ) or by contacting your local county councillor.

While we realise that you may prefer to speak to the local highways officer directly, we need them out dealing with highways issues not in the office on the phone. For more complex, ongoing issues, you can request an annual meeting with your local member and the highways team.

In addition, my support councillor, Cllr Perraton-Williams, and I are currently committed to visiting each parish and town council with the local highways team.

I can assure you that all issues reported will be dealt with.

Kind regards CLLR RICHARD DAVIES

EXECUTIVE COUNCILLOR FOR HIGHWAYS, TRANSPORT AND IT

# **Information from Lincolnshire County Council :** **Highways contact details and useful information**

## ***A few things we don't deal with:***

We look after the majority of issues within the highway but there are some that we don't:

### **Foul sewers and water leaks**

Anglian Water                      [www.anglianwater.co.uk](http://www.anglianwater.co.uk)  
Severn Trent Water              [www.stwater.co.uk](http://www.stwater.co.uk)

### **Mud on the Road**

Lincolnshire Police **Call 101**

### **Street name plates, dog fouling, litter, street cleansing and fly tipping on the Highway**

City of Lincoln Council              [www.lincoln.gov.uk](http://www.lincoln.gov.uk)  
Boston Borough Council              [www.boston.gov.uk](http://www.boston.gov.uk)

### **To report a fault**

A fault is something wrong with the highway network that requires fixing.

Typical examples are potholes, street lights that are not working and broken or missing drain covers. The best way to report a fault is to log it on the web portal at [www.lincolnshire.gov.uk/faultreporting](http://www.lincolnshire.gov.uk/faultreporting)

### **To enquire about highways services**

Typical examples include when will the road improvements in my area be carried out. There is lots of useful information on our web pages at [www.lincolnshire.gov.uk/transport-and-roads](http://www.lincolnshire.gov.uk/transport-and-roads)

If you can't find what you are looking for or the enquiry is about something very specific please email us at [cschighways@lincolnshire.gov.uk](mailto:cschighways@lincolnshire.gov.uk)

### **Keep up to date with roadworks**

Visit [www.roadworks.org](http://www.roadworks.org) to find up to date information about all roadworks carried out by Lincolnshire County Council and utilities such as Anglian Water.

### **To talk to us**

Our Customer Service Centre number is 01522 782070

Our Service Centre Advisors can help with a wide range of questions and can look up what action has been taken with reported faults and enquiries between 08:00-8:00 Monday to Friday.

If you have a highway emergency outside of these times please call Lincolnshire Police on 101

### **Learn more about services we provide**

To find information on all our services for example grass cutting, street lighting, grit bins, patching and surface dressing visit [www.lincolnshire.gov.uk/transport-androads/highways-maintenance/](http://www.lincolnshire.gov.uk/transport-androads/highways-maintenance/)

You can also view our programme of works for the current financial year and download our publications and policies.

### **Follow us on Twitter**

You can follow us on Twitter. We regularly tweet roadworks updates, incident details and in the winter when we are gritting.
